NEW FOR 2025!

12" Musical/Animated Santa

'Tis the season for gift giving, but Santa's only desire is a championship for his favorite college team! This beautifully handcrafted Claus, looking sporty and stylish in his school-colored knit sweater, waves his arm back and forth in celebration as the school song plays.

12" Tree Globe

Unique and mesmerizing, this internally rotating, bottom-illuminated globe keeps the snowflakes swirling and your school spirit rising! Tree-shaped and sturdily built from shatter resistant plastic, the globes come in bright school colors and will delight any college fan.
