

New Account Set -Up

When setting up a new customer account, we will need the following information:

- Copy of resale certificate
- Billing and shipping address
- Routing instructions or shipping guideline (if the customer has any special requirements)
- Phone (and Fax number)
- Email address
- 3 Credit references & Bank Info.
- Credit Cards for payment are accepted (but this will not setup Net30 credit for future ordering).

*Please note: We will set up a new account at the same time when a customer is ready to place their first order.
