Private Label Criteria

The Grecian Soap Company welcomes private label opportunities for all products we offer. This can include custom labeling, custom fragrances, custom colors and potentially, custom packaging. We can also provide custom shapes or other variation of our core products.

The following is the criteria needed to qualify for a new private label opportunity:

1. Minimum opening order value of \$500.00 or more. Reorder minimum is \$250.00.
2. 50% of the order value must be paid for upfront and the balance paid upon shipment as this is considered a custom order.
3. Label design services by the Grecian Soap Company will be charged based on the complexity of the design and the number of designs needed. This work may be done by a 3rd party graphic designer and the cost added to the order.
4. Label design by the customer will not incur any charges except for the cost of the labels, provided appropriate artwork is supplied. Label cost will be added to the order and must be paid prior to ordering.
5. Lead time is based on when the design and/or labels are completed, typically two to three weeks.
6. Returns will not be accepted except for receipt of damaged goods, unacceptable workmanship or an error on what product was shipped.
