

The background is a vibrant teal color. Two large, dark, gnarled tree branches extend from the top corners towards the center, covered in numerous bright red, circular blossoms. In the lower right, a small figure of a person in traditional blue and white attire carries a branch of these blossoms. In the center, three stylized birds are flying: one yellow, one blue, and one green, all with white speckles on their wings.

FOREVER

Catalogue

Forever Cards is a unique greetings card manufacturer based in the United Kingdom. Designer Ge Feng pushes the boundaries of laser-cutting to create amazing pop-up cards and intricate paper-cuts. His designs show an exciting fusion of Oriental and Western philosophies.
