AUGUST 10 RED TENT 7 AM ANDERSON BLDG — GO!!

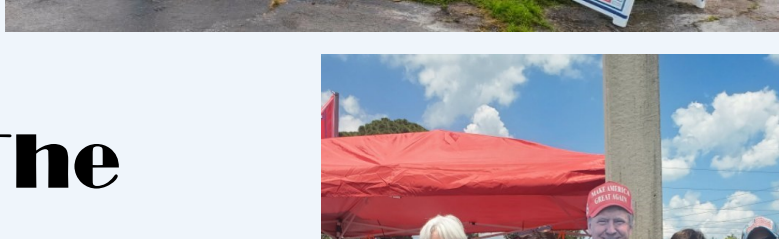

John MacLary's sexy, gold Trump shoes.

**"The "Fake" Florida Republicans Have Been Found!**  
The Republican Party of Florida is on the side of the globalists, and in a full court press to remove as many true MAGA Republicans as possible from county Republican Executive Committees (RECs) in the state. That is, the RPOF is purging Trump Conservatives."  
*The Miami Independent*

The AFSWFLC and the SCRAAC vetted and endorsed conservative, grassroots candidates for the original Sarasota County Voter Guide. Isn't it pretty?

## The Best Is Yet To Come

Jim Coler built the Voter Education frame to direct voters to the right place to get a voter guide. Great job, Jim!

Step right up and get your educational voter guide and some conservative conversation.

**CONGRATULATIONS CANDIDATES! GO NOVEMBER**

**BOTTOM LINE - WE didn't particularly like the results in the Primary, because we lacked Republican voters coming out to vote. WE must change that for November. WE must overwhelm the ballot box to ward off the inevitable fraud that the Democrats and RINOs will try to use to control the election. Do not let apathy set in by thinking Trump's election is a slam dunk.**

All Grassroot Republicans and conservatives must get out and vote, either by Vote-by-Mail, Early voting (14 days), or Election Day voting. All of us should request a Vote-by-Mail ballot for the November election if you haven't already done so. Our whole way of life and the country we love depends on all of us getting the vote out.

Some of you may remember the phrase used to test out a manual typewriter: "Now is the time for all good men to come to the aid of their country!" It really applies to our situation now. Everyone is a combatant - there are no cheap seats, no peanut gallery for people to chirp from. We all must be doing our share.

**GET OUT THE VOTE IN NOVEMBER!**
