

A Time of Jacob's Trouble, Daniel's 70th Week

Introduction

Upon reaching Daniel 11 I felt lead by the Holy Spirit, even before Here, to take a look at how Ezekiel 38-39 fits into the Prophecy of The Time of Jacob's trouble. And when I came upon the verse in Daniel 11:39-40 That convinced me to start now. Daniel 11:36-12:13 is a very condensed vision of this period and so rather than try and limit our study of the rest of Daniel, why not start now.

These verses in Daniel 11-12 will be included in our new study. I see world events leading up to Ezekiel 38-39. So I will probably include some news articles in this study also. Its exciting times we live in.

Part 1 Introduction What is this Period? Who are the Players

Starts after the Rapture as I am Pre Tribulation, Pre Millennium Believer John 14:3, 1 Thess 4:16-18, Acts 1:11 ,Rev 3:10-11,13, 4:1-11,

Time of Jacob's Trouble: Jeremiah 30:7,

Nothing like it Eze_7:6-9; Joe_2:11, Amo_5:18-20; Zec_14:1-2; Mal_4:1; Act_2:20; Rev_6:17

Time of Jacob Gen_32:7, Gen_32:24-30; Hos_12:2-4

Daniel's 70th Week Daniel 9:27

So that's the period most today want to call the Tribulation and it sure is. The reason I try to stay away from that term as some like to point to a statement by Jesus in Matthew 24:15 Jesus mentioned Daniel 9:27 and the Great tribulation which is the last 3.5 years of the 7 years and try and say the first half is not God's wrath. Which I hope by the end of this study I will show the whole thing is God's Wrath and really bad all 7 years.

This will take us into most of the Major Books on this Subject, Ezekiel, Daniel, Zechariah, The Synoptic Gospels and Most of Revelation. Following is a real basic outline and filling in scripture from almost every book of the Bible.

Who Are the Players?

_____ Ezekiel 28:13-19, Isa 14:12-15, Rev 12:9,

_____ Daniel 7:8, 11, 20-21, 9:27, 11:36-39, Revelation 13:1-10

_____ Rev 13:11-12, 13-18

_____ Rev 5:1

_____ Rev 5:6-8,

_____ Rev 8:2-9:14, ,

_____ Rev 11:3-12

..the number of them which were sealed _____ of all the tribes of the children of Israel 7:1-4, 5-8

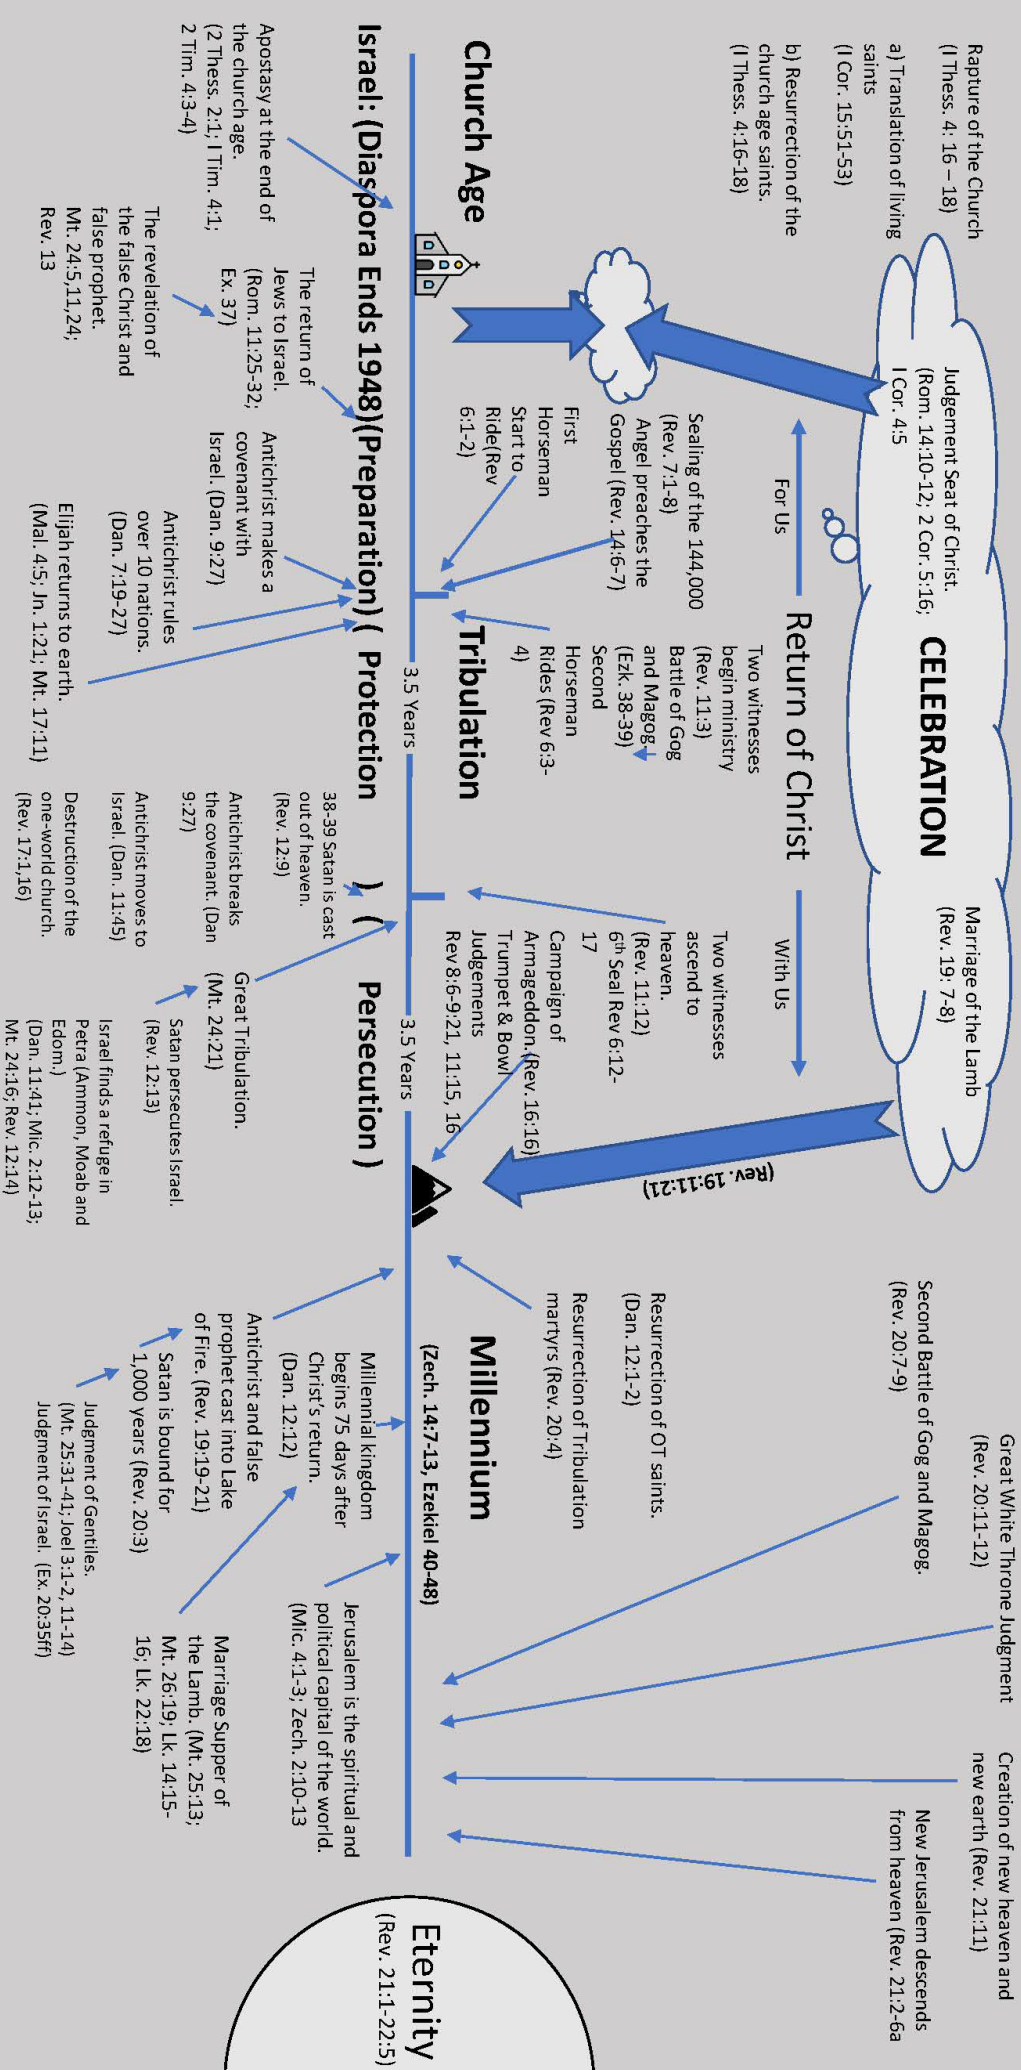

_____ Rev 6:9-11, 7:9-17

We will look at the 3 sets of Judgements of Revelation Seals, Trumpets Bowls in chronological order but mixing in the other events depicted in other parts of the Bible as they fit into the timeline mainly from Ezekiel 38 & 39, Daniel 9-12, Zechariah and Isaiah and the Gospels of Matthew 24-25, Mark 13, Luke 21 The Olivet Discourse. To show the events of this 7 Year period and when we get done maybe continue into the Millennium Kingdom. Not sure how long it will take but sure to help us with witnessing to others. For me Prophecy is what got me first excited in knowing more about the Lord. I read Revelation the first time when I was a brand-new believer at the age of 12-13. I didn't understand much and in 1972 Prophecy and the End times was not spoken about much. So I hope to alleviate that as I believe Paul taught about Salvation first!! Prophecy of the Rapture 2nd! Day of the Lord 3rd

Now in this study I won't be speaking about the age we are in now or the Church Age. I'm Beginning at the Point of The Rapture but I highly recommend reading and studying the first 3 Chapters of Revelation to know more about the age we are currently in. If you would Like I have some Video's I made on Revelation Chapter's 1-3 if you want to use as a guide of the First 3 Chapters for personal study. EVENTS OF THE END TIMES

Part 2 The Throne Room 1st Seal Open Anti-Christ Revelation 5-6:1-2

As we take a look at this section lets have a Symbology Quiz as we see these symbols fill in the blanks of what they represent. And a bit of a Hint they can represent a Person or a Group/Nation/Kingdom

Horns _____

Daniel 7:8, Rev 17:12-13

Sea _____

Revelation 13:1,

Beasts _____

Daniel 7 , Revelation 13

Lion as seen in Daniel 7:4 _____

Bear Daniel 7:5, Rev 13:2 _____

Leopard Daniel 7:6, Revelation 13:2 _____

4th Beast of Daniel 7:7-8 _____

So we are now in the Throne Room and are about to get introduced to the Opening of the First Seal. Lets take a look at this scene

Rev 5:1-14

Vs 3 realize here That there is only one person who due to his sacrifice as we will see in the coming verses.

Vs 5-7 Jesus as we see in these verses is represented as our sacrificial Lamb

Vs 9-11 The Church note Redeemed Us to God by thy Blood of all nations. This is not a heavenly Being or specific to a group like the Jewish Nation. Vs 10 also as Kings and Priests only can be Jesus, Melchizedek or the Church as adopted into the Body of Christ

So as a refresher we see in Rev 4:1-2 John who I see as representing the Church along with the 24 Elders. So, we see Jesus Receive the Scroll of the first 7 Seals. As we open seal one Rev 6:1-2 We see a White Horse which at this point can't be Jesus Christ who will also ride a White Horse with us also in Rev 19:11-14. Here we see the Anti-Christ trying to mimic Jesus and ultimately deceive the World. Also Jesus is the one sending forward this Horse or as I see it Allowing Satan to rule the World.

the man we have been studying in Dan 11 being authorized by Jesus to Start his campaign to Rule the world. But at first he will seem like the Best thing to happen to solve the problems of the world. Lets take a look at him

Anti-Christ Daniel 7:8, (Horns world leaders) 11, 20, 9:27, 11:36-39, 1Jn_4:1, 1Jn_4:3 Revelation 13:1-2

Dan 7:8 Great Things We see he has a way of speech to motivate others.

Dan 11:39 Divide the Land as we see in other verses he will command a 10 Person Group (10 Horns). It would seem this may not be nations necessarily but could be Powerful Men of Wealth who we see now formulating things behind the scenes. Some believe conferences Like World Economic Forum in Devos each year and men like George Soros, Klaus Schwab and even Bill Gates plus leaders who attended the Klaus school for world leaders is an interesting list and are manipulating things for their advantage but are actually preparing the world for the Antichrist to Rule. They are the ones pushing this move to One world Government which verses like this could be where Anti-Christ gets his financial backing. We have this hint in Rev 17:12-14

Revelation 13:1-2 Notice here also he is represented by all 4 Beasts of Daniel 7:4-6 but in reverse order as Daniel was looking to the Future but John here is looking back

But this also represents his Power over all the Nations of the world

2Th_2:3-7 And as we see here now that the Holy Spirit Refraining force is removed via the Church the Man of sin revealed Son of Perdition can Ride

So this brings the Anti-Christ onto the scene but realize it will take a bit of time before the actually Signing of the Covenant that starts the 7 years of Jacob's trouble. He probably will solve a situation that makes him well loved by the world and accept him. But as we saw with the Pandemic any world event may be the catalyst to give him the edge he needs to gain a following. I was amazed how easy it was for people to just want life to go back to normal. Well unfortunately I'm afraid we have already crossed that Bridge towards this period. No the events of Seal 1 cant happen while the Church is still here but the stage it does appear is being set. I have a hard time seeing us go back to a time prior to 2019.

Now back to the timeline of the 70th week Seal 2 which we will begin to look at next week.

Realize that the 7 years doesn't start until Daniel 9:27 gets fulfilled. Some other things that have already started is the return of the Jews to Israel Spoken of in Ezekiel 37, remember here Paul is speaking to Believing Gentiles and that for a time God will blind the eyes of Israel but not for ever Romans 11:25-32 and the warnings of Jesus in Matthew 24:5,11,24 and we will take up in a few weeks THE False Prophet of Rev 13 so the main purpose of this period is to convince the Jewish Nation of who their Messiah is by allowing them to see the anti-Christ as there Messiah as Jesus foretold in John 5:43, and How they now are Blinded until they realize who Jesus is. Matthew 23:37-39 this is the whole reason for the Time of Jacob's trouble.

Fourth Industrial Revolution

The Fourth Industrial Revolution represents a fundamental change in the way we live, work and relate to one another. It is a new chapter in human development, enabled by extraordinary technology advances commensurate with those of the first, second and third industrial revolutions. These advances are merging the physical, digital and biological worlds in ways that create both huge promise and potential peril. The speed, breadth and depth of this revolution is forcing us to rethink how countries develop, how organisations create value and even what it means to be human. The Fourth Industrial Revolution is about more than just technology-driven change; it is an opportunity to help everyone, including leaders, policy-makers and people from all income groups and nations, to harness converging technologies in order to create an inclusive, human-centred future. The real opportunity is to look beyond technology, and find ways to give the greatest number of people the ability to positively impact their families, organisations and communities.

Hard to Read here is what it says and note the highlighted areas

Part 3 Anti-Christ Signs Peace Covenant Daniel 9:24, 27A,

Lets start with a reminder of What happens During this Period of 7 Years . If you Like you can review these verses, but I'll just summarize. With a few Highlighted ones. Lets see if we can fill in the blanks.

- a. To finish the _____: Taken literally, this means establishing an entirely new order on earth, with an end to man's rebellion against God. **Mat_1:21**; 1Jn_3:8

This Happens in the opening days of the Millennium Kingdom we read in Exo 40:9-10, which is one of the first events after our return. For Jesus will set up and reign from Jerusalem. The final Battle of the Tribulation is spelled out in Zec 14:3-5 and he will establish his Temple **Isa 2:2-3**

So at this point we have the 1 week left or 7 Years

Of note the general time frame of Ezekiel between 37-40 is from Israel regathering to the Millennium kingdom a very broad period of time. Basically Ez 37 started in May 1948 which is on going But except for a small group of Messianic Jews most are in unbelief and the main reason for the Time of Jacob's Trouble is to fulfill Ezk 37:14. So as we study the War of Ezk 38 I cant see it being nessesscerly quick as some would like to think. Basically looking at how long Ezk 37 took now being over

70 years and some verses we see in Ezk 39 that seem to indicate that Jesus Christ Return will be the force behind it. That this War may be ongoing for a lot longer than a few days or weeks. The Main reference of Ezk 39:1-4 seems to correlate with Rev 19:17-18 would make the Gog Magog war last the whole 7 years. But we will dig into that as we study Ezk 38 Next week For now lets see the setup of the Antichrists One World Government.

So we Pick up at the rise to power during the First Horse . Based on Daniel 9:27A he signs a covenant with Israel to Protect them during a 7 Year period. I believe this happens prior to the second seal. Which gives them this false security we see in Ezk 38:8,11

The mention of "Come back from the sword" I feel points to WW 1 & 2 which Jesus speaks of in Matthew 24:7 with the Nation and Kingdom references.

Also at this point we have some other events happening with the 2 Witnesses starting their ministry Rev 11:3-5, of which most believe based on Mal 4:5, Jn 1:21 and Mat 17:11 one of them is Elijah who called down Fire from heaven 2 Kings 1:10. Now the second one could be one of 2 people Moses which based on him having Power over waters to turn them to Blood Rev 11:6, (we will get to the plagues in a couple of weeks) But based on being translated Like Elijah possibly Enoch Gen 5:24, Heb 11:5.

Sealing of the 144,000 Jewish Evangelists Rev 7:1-8, Which of Noteworthiness is the very Jewish in nature as to indicate the Church is not involved.

So we are now at the point that Israel is again Rebuilding their temple and returning to Sacrifices. The next phase is Seal 2 with the Forces from the North and South Wanting what Israel Has. So next week we will take a look at this War of Gog and Magog. Which I believe will make the Antichrist look like Israel's Savior and give him the power He needs to Control the whole World and convince Israel He is their messiah.

Part 4 Seal Two The Red Horse Revelation 6:3-4, Ezekiel 38 War Part A

Vs 3-4 Here we Are The world in turmoil Millions of People Just Disappeared. Everyone in agony over Loved ones to include Children who just vanished!! News reports all speak about it and at this point everyone is looking for Answers.

Out comes a Man who seems to have the answers and Starts to build a following. During this period as we saw during the Pandemic recently everyone wants an answer to the problem of world anarchy and some see this Man as the Answer.

So as we saw last week the Antichrist signs this Covenant Ezk 38:8,11, Dan 9:27A with Israel. They see him as there Messiah and has the power to protect them.

I also want to say that when it comes to the 4 horses I can see like the first one Antichrist that once they Begin they continue all thru the Tribulation. Where most of the other judgements are short lived I can see the horseman as a state of the world during this Time. In Zec 1:8-10, 6:2-5.

Myrtle Trees is used by Jews as a Symbol of Marriage. So we see a tye to the Jewish Nation and these horses.

We see a similar thing as these prophesied horses are in a state of wondering the earth. So I can see that these horses are the same beginning with Israel. So lets take a look at the 2nd Horse "WAR" Now in the middle of all the turmole Antichrist has just signed this peace treaty.

Show Breakdown Slides

I can see those who have vendetta's to see an opportunity. We can even see as we study Ezekiel 38 that the Players even today are those who for the most part have either desire to eliminate Israel or want the Land area and riches of that area. Besides the access to a warm water port Russia would Love to have, the Dead sea is actually full of needed minerals the world seeks. Now with the finding of gas both Europe and Russia want and need Gas for heating in the winter. There is also as we see a desire for Silver and Gold and interestingly enough there is a famous hunt ongoing that King Neburkezza never found all the gold or Rome in 70 ad that most believe existed during Soloman's reign. Some believe that just prior to the

final siege of Jerusalem in 586 BC that this Gold and Silver a majority of it was hidden and may still be there. Since most of the people who were in charge in the 580-605 BC timeframe either died during the sieges or died in captivity that no one alive was able to know where to look. So lets see how this war develops.

Vs 3 He (Jesus)

Vs 4 Red Horse Red symbol of Satan Rev 12:3, 17:3 But also we as Americans always called the Soviet Union the Red Army Why Red ? a reference to the Blood Shed by the working class in its struggle against capitalism. Interesting??? Possible reason Red Army this time wants to stop The one World Leader who is trying to control them?

Power Rev 13:7-9,

“Kill one another” interesting prophecy. We had a term for this in our military called friendly fire. Ezk 38:21

“Great Sword”ezk 38:4 lets look at these words and see what some other verses say.

Purpose Isa 10:5-6 God using Men to punish or in this case get Israel to Wake up to who there messigh is

Daniel 11:40-43 so here is where I see that War will be everywhere whether it be local uprisings to actual war But with Gods help Israel will be saved as we will see in t Ezk 38 But just like His father Satan the Great deceiver Antichrist will gain world wide control as he claims that Israel was saved because of Him. And for the Jew this convinces those in unbelief that This Man is the Messiah and follow him without question. Dan 12:10 hints at this as those who become saved after the rapture will understand

Part 5 Seal Two The Red Horse Revelation 6:3-4, Ezekiel 38 War Part B

Ezk 38:1-2 Magog Gen 10:2, Zec 12:1-4 (vs 3 Hook in the Jaw, vs4 Blindness Ezk 38:9,21)

Mesheck & Tubal Ezk 32:26-27, 27:13,

The Chief Prince can be interpreted as Rosh also as there is some debate on if this is a proper noun or a title. Rosh would indicate Russia and based on vs 38:15, 39:2 it would also indicate Russia not like say Syria or Turkey Whe you draw a line due north from Jerusalem it passes thro Moscow, Russia.

God will basically draw them into Israel destroy them and make the Antichrist look Good. If during this Attack God was known to be the reason for their defeat then ask yourself Why didn't the people repent right then and their. Probably many will mostly Gentiles I Suspect we will see in the 5th seal. Remember Gods plan is for at first to allow the deception and at the midway point when this so called Messiah turns against them that's what will convince them that Jesus from 32 AD was their Messiah. So for now God will allow the Antichrist to win. Back by Satan which is the main driving force.

Vs 4 Turn Thee Back Ezk 39:2, Hooks Similar to what Happen in Egypt Ezk 29:4-5, 2 Kings 19:28, Isa 37:29 , Horses Ezk 38:15, Dan 11:40(Passover I believe is in reference to Countries in the path. All military commanders know that maintaining a supply line is paramount. This may be why we see Russia securing not only Syria but also Ukraine. The Romans learned that lesson back in 69 AD that Jesus prophesied about, Luke 21:20-21

Vs 5 Jer 46:9 Interesting mention of Bending the Bow as perfection in Archery but based on Ezk 39:3 not today that is. Many believe this also refers to modern Rockets that just fall out of the Sky and it may be the fuel they speak of burning for 7 years

Vs 6 Gomer Gen 10:2-3 also Togarmah is known for their horsemanship Ezk 27:14, Dan 11:40 One other thought as some have suggested is that the actual use of Horses in Battle has a rich history and one that even in modern combat has been

used by countries that are very mountainous. So this may not be a symbolic use of Horses but real. There are still 7 Armies around the world mostly in this area that still use Horses and other animals like Camels and Mules. Even US used Horses while in the hill country of Afghanistan.

Vs 7 God prevails Psm 2:1-4, Isa 8:9-10

Vs 8 Many Days Latter Days Ezk 38:16, Gen 49:1, Deu 4:30-31, Hosea 3:3-5, Hab 2:3, Brought back from the Sword The Holocaust for for told by Jesus Matt 24:7-8, and Isa 24:22 sounds interesting

Ezk 38:8 Brought back from the sword was the first time for prophecies of the end times I believe a war was instrumental in accomplishing Gods plan. As Jesus also stated in Matthew 24:7-8 we can see a parallel to what evidence there was of the state of Israel in the travels of a skeptic named Samuel Clemens better know as Mark Twain who visited Israel and also some others who were eye witnesses to the condition of Israel prior to WW1 & 2. So lets look at what he wrote in his book called “The Innocents Abroad” and how this is prophetic as to prove that God blessed them thru a war. I believe this is a pattern of what will be the next phase of the salvation of Israel.

Mark Twain’s unwittingly prophetic vision for the State of Israel

A natural skeptic, Twain was not taken by the splendor of the Holy Land. He wrote irreverently about the country’s legendary sites.

By TULY WEISZ Published: SEPTEMBER 23, 2017 22:45

At his peak, Mark Twain was probably the most popular American celebrity of his time. What few realize is that it was an unlikely trip to the Holy Land that established his fame as an author.

A century and a half ago, Twain traveled on an excursion with his American church group to Europe and the Middle East. The material he gathered, first published in a San Francisco newspaper, formed the basis of the humorous book that made him hugely popular: The Innocents Abroad.

But while in the Middle East, Twain, whose real name was Samuel Clemens, was not focused on the book he would eventually write, but another, holier work: the Bible.

While in Palestine, Twain took a piece of stationery with “Mediterranean Hotel” printed on the top just above the date, September 24, 1867, and wrote to a Mr. Elias, a local book-binder in the Old City, the following instructions: “Elias, fix up the little Bible I selected (I don’t want any other) – the one that has backs made of balsa-wood from the Jordan, oak from Abraham’s tree at Hebron, olivewood from the Mount of Olives, and whatever the other stuff was – ebony, I think. Put on it

this inscription: 'Mrs. Jane Clemens – from her son – Mount Calvary, Sept 24, 1867.' Put 'Jerusalem' around on it loose, somewhere, in Hebrew, just for a flyer. Send it to our camp, near head of the valley of Hinnom – the third tents you come to if you leave the city by the Jaffa Gate – the first if you go out by the Damascus Gate. Yours, Sam L. Clemens."

The King James Bible published by the British and Foreign Bible Society was an ironic choice of gift for the man who famously quipped, "Faith is believing what you know ain't so."

A natural skeptic, Twain was not taken by the splendor of the Holy Land. He wrote irreverently about the country's legendary sites. The Sea of Galilee was, "a solemn, sailless, tintless lake, as unpoetical as any bath-tub on earth." The Church of the Nativity was "tricked out in the usual tasteless style observable in all the holy places of Palestine."

Throughout *Innocents Abroad*, Twain explicitly states that the area was desolate and devoid of inhabitants. His group entered Palestine from the north, passing through such sites as the Sea of Galilee, the Banias, Nazareth, Jenin and Nablus.

Riding on horseback through the Jezreel Valley, Twain observed, "There is not a solitary village throughout its whole extent – not for 30 miles in either direction. There are two or three small clusters of Bedouin tents, but not a single permanent habitation. One may ride 10 miles, hereabouts, and not see 10 human beings."

He continues, "Of all the lands there are for dismal scenery, I think Palestine must be the prince... Can the curse of the Deity beautify a land? "Palestine sits in sackcloth and ashes. Over it broods the spell of a curse that has withered its fields and fettered its energies."

Twain was not alone in his poor impression of the land of milk and honey. Historians and travelers alike made similarly dreary observations over the centuries.

Six hundred years before Twain's visit, another famous visitor with a *nom de plume* was struck by Jerusalem's desolation. Rabbi Moses ben Nachman, known as

Nachmanides (1194-1270), fled Christian Spain for the Land of Israel. After a long and perilous journey, Nachmanides arrived at the Port of Acre before traveling to Jerusalem in 1267, where he couldn't even find nine other Jews to pray with. He wrote to his son, "Many are Israel's forsaken places, and great is the desecration. The more sacred the place, the greater the devastation it has suffered. Jerusalem is the most desolate place of all."

Nevertheless, the sage, whose Torah commentary is still studied, had an altogether surprising interpretation of the desolation he encountered. He saw it as a blessing in disguise. Commenting on a verse in Leviticus that describes the curses that will befall the land of Israel, Nachmanides wrote that the devastation "constitutes a good tiding, proclaiming that during all our exiles, our land will not accept our enemies... Since the time that we left it, [the land] has not accepted any nation or people, and they all try to settle it... This is a great proof and assurance to us."

The 13th-century scholar wrote that Israel will remain desolate until the Jewish People assume control. But when the people of Israel finally return to the land of Israel, the region will once again flourish thanks to Divine providence.

As the most famous eyewitness to the 19th-century desolation of Palestine, Twain was an unwitting collaborator of Nachmanides. *Innocents Abroad* brought global attention to the sorry state of Palestine and proved that Palestine was a land without a people for a people without a land just 15 years before the First Aliya and subsequent waves of Jewish immigration.

Half a century after Twain's visit, the Balfour Declaration was issued in 1917. Fifty years later the Six Day War was won. And today, in 2017 – 50 years after that – Israel continues to flourish, moving in leaps and bounds away from Twain's "sackcloth and ashes."

At various points throughout his journey, Twain criticized his fellow "American vandals abroad" for the petty buying and selling of holy land trinkets and religious artifacts. So what compelled this skeptical father of American literature to buy an olive wood-covered Bible for his mother? Twain might not have known it at the

time, but by reporting on the “curses” of Palestine during his visit, he was lending credence to the biblical passages he famously mocked in his book, prophecies which were fulfilled less than a few decades later. Likewise, Twain’s decision to purchase a Bible over any other trinket is evidence that he was moved by the religious holiness and spirit of the land.

Part 6 Ezekiel 38:9-17 War

Let's review where we are in this Timeline of Revelation 6 and Ezk 38. I want to revisit our outline as to how as I read these passages, I have to revise my timeline a bit as I was placing the sealing of the 144,000 at the start of the horses riding.

One of the fun parts of prophecy is most of us as more information becomes available, be willing to adjust our thoughts. This is in keeping with what I've mentioned in the past. The closer we get to the tribulation the more Daniel 12:4 will allow us to see clearer. As I was studying further it appeared to me that the verse Rev 7:1 says after these things which really shifts my focus.

So now I have revised my timeline. The other thing I realized is the Trumpet Judgements do appear to be placed in the first half as I was having trouble with some aspects of the Sealing had to happen prior to the plagues described in Rev 7:1-3 which appear to be the first few Trumpet Judgements.

So we at this point see the countries mentioned in Ezk 38:2-6 are attempting to take over Israel. We have God drawing them down with the ultimate Purpose to show Jacobs Descendants, the 12 tribes of Israel, who their Messiah is, which is God's ultimate Plan . Now while this attack is happening, We have the 2 witnesses proclaiming this fact in Jerusalem proclaiming that Jesus of 32 AD is the Messiah most Likely. Which as we see with the 2 Witnesses have a power we see in the 3rd and 4th horse which we will dive into next week.

Meantime the false Messiah or Anti-Christ has convinced Israel he is the answer to their problems and has signed a covenant to provide 7 years of peace. They start to rebuild their Temple Rev 11:1-2 and it almost seems the world is falling apart as due to the Rapture many are completely confused as to where their loved ones went. As The red horse also says Rev 6:4b Man is killing man probably as looting and basic lawlessness abounds, but Israel is exempt . These wars of Rev 6:3-4 I believe includes Ezek 38 but also will be what the entire world under the Antichrist will be like as fighting between men will increase as the Rev 6:4 states, besides the Antichrist mission to eliminate any Christians who still hold to Jesus Christ. and oppose him and the police now under control of the antichrist is killing at will.

Probably based on what we already see today as that the Bible is hate speech and probably has been outlawed. we see mentioned in Rev 6:9-11 seal 5 the results of being a Christian.

Meanwhile this attack happens and lets pick up at that point in Ezk 38:9

Vs 9 Dan_11:40(him Antichrist) like a storm : Eze_38:16; Jer_4:13; Joe_2:2

all thy: Isa_8:9-10

what the attackers are thinking vs 10-11, Jer_49:31-32; Zec_2:4-5,

vs 10 evil Thought Mic 2:1

vs 11 Jer_49:31-32; Zec_2:4-5,

vs 12 As we spoke about Wednesday and the state of Israel prior to 1948 we have here another reason for the desire for their enemies to want Israel the desolate: Eze_36:33-35; Jer_32:43-44, these prophecies are definitely happening now. Israel is green and produce much of their own food and even export the excess.

So with pretty much Israel thinks they are toast and destined to die Just about every major power is coming after little ole Israel. BUT God!!!!

First lets see what some bystanders are saying

Vs 13 Now we also see some countries in the area are not part of this attack as they just comment but don't get involved. With the term of the Young Lions some believe that's the very weaken US after the Rapture and as we also see now a general non supportive role the US has with Israel.

We see here in Vs 13 The 3 Countries mentioned are known for trade and are probably Israel is one of their customers of their products. Kind of interesting that we now have trade re established with a few of these countries via the Abrahamic Covenant, Can we say Stage setting?

Vs 15 here is what I believe is not just the named countries we see in Vs 2-6 but includes all the countries in and around Israel itself mentioned in Psalm 83. I don't see 2 separate wars. We are watching stage setting right now for this war and with

all the times the terrorist organizations have already attacked Israel with no successful damage to most of Israel I don't see them at this level.

Vs 16 Latter Days we see again is the same as latter years of vs 8, Dan 2:28, 10:14

The Heathen Know me. When God uses these kind of events its always to help others Know who he is, some other examples Ex 14:4, 2 Ki 19:19, Dan 3:24-25

Vs 17 was for told by the prophets (Psa_2:1-3; Isa_29:1-8; Joe_2:20; Joe_3:9-21; Zec_12:1 ff; Zec_14:2-3).

EVENTS OF THE END TIMES
