

## Product Description

The Scotch-Brite™ Clean & Shine Pad is a low-speed scrubber pad for daily cleaning and dustless polishing.

- Cleans and shines in the same step, using only a low-speed scrubber.
- Increases shine with repeated use and may result in reduction or elimination of burnishing.
- Designed with contrasting color to provide visible wear indication.
- Usable on both sides with the same proprietary coating.

## Special Features

- Exceptional cleaning, mark removal and shine improvement (gloss and/or distinctness of image) with water only.
- Designed for use on both sides for ease of use and extended life.
- Compatible with water, detergents, or cleaners normally used for floor maintenance.
- Color contrast between pad interior and surface coating provides wear indication.

## Applications

This product is used for routine cleaning or light scrubbing under an auto scrubber or other standard low speed floor cleaning equipment using water or detergent solution.

For use on most finish-coated or uncoated flooring including; vinyl, sheet vinyl, LVT, VCT, rubber, ceramic tile, marble, terrazzo, granite and concrete.

## Packaging and Marking

Each carton shall be labeled to identify the contents by product name, size, quantity and manufacturer. Each pad shall be printed with the product name.

## Standard Sizes

Circular discs and rectangles are available in a variety of common sizes. Pads are nominally one inch thick.

## Pad Use and Cleaning

Dust mop entire floor prior to cleaning. Install appropriate sized Clean & Shine pad/s on your cleaning equipment. If using a rotary auto scrubber, a center hub attachment is required. Fill the scrubber tank with water or properly diluted cleaning solution. Clean floor. Pads may be rinsed with water to remove soil and debris as needed.

## Storage

Store indoors in original packaging and under normal facility conditions.

### **WARNING**

Indicates a hazardous situation which, if not avoided, could result in serious injury or death.

# Scotch-Brite™ Clean and Shine Pad

## DANGER

To reduce the risks associated with inhalation of or exposure to contaminants:

- DO NOT use this product on any asbestos-containing material.

## WARNING

To reduce the risks associated with inhalation of or exposure to contaminants:

- Ensure this product is used in the recommended applications with the suggested equipment.
- Do not allow this product to be used by untrained operators.
- Always follow standard safety practices, including wearing appropriate protective apparel and eye protection, while using this product.

## Health and Safety

When handling any chemical products, read the manufacturers' container labels and the Safety Data Sheets (SDS) for important health, safety and environmental information. To obtain SDS sheets for 3M products go to [3M.com/SDS](http://3M.com/SDS), or by mail or in case of an emergency, call 1-888-364-3577 or 1-651-737-6501. When using any equipment, always follow the manufacturers' instructions for safe operation.

## Technical Information

Technical information and data, recommendations, and other statements provided by 3M are based on information, tests, or experience which 3M believes to be reliable, but the accuracy or completeness of such information is not guaranteed. Such technical information and data are intended for persons with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. The typical values shown should not be used for the purpose of specification limits. If you have questions about this Product, contact the **Customer Service Department at 1-800-852-9722**.

## Product Use

Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Given the variety of factors that can affect the use and performance of a 3M product, user is solely responsible for evaluating the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application.

## Warranty

3M warrants that each 3M product will be free from defects in material and manufacture for 90 days from the date of purchase from 3M's authorized distributor. 3M MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

### Limited Remedy

If a 3M product does not conform to this warranty, the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

### No Extension of Warranty

In the case of an approved warranty claim, the replacement Product will carry only the remaining term of the original warranty period.

### Limitation of Liability

Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted.
