

ISLAND LIFE

things to know

- 1) We lose power regularly. Don't panic, it will turn back on with our generator. If not, we will be in contact with you.
- 2) Water temperature varies because the water heater is solar powered.
- 3) We have a septic system, please do not flush items down the toilet that are not septic safe.
- 4) Everything is slower here, relax and enjoy the chill.
- 5) The island is a great place to thrive and is home to many living creatures. Our home is their home, don't be surprised if you come across an iguana, gecko, bird, etc.
- 6) Locals love it if you greet them with "Good morning", "good afternoon" or "good evening". It is a great way to show respect.
- 7) Hours at restaurants vary, call to make sure they are open
- 8) Reef safe sunscreen is required in the usvi, please protect our oceans by only using reef safe products.
