PROCEDURES for DCHDC Monthly Dance

DCHDC is offering this opportunity for Club Members & Guests to attend a dance, however, each person will need to use their own personal judgment as to whether or not they feel safe in attending.

In offering this & future events, we are asking Club Members & Guests to assist the Board of Directors in practicing due diligence to protect the Club, the Board, and Members/Guests. In addition to adhering to state, local and facility guidelines regarding Covid-19 restrictions, we will be following a few new procedures.

Liability Waiver--Will not be required now that state and local restrictions have been lifted.

Mask Requirement--We are awaiting word from KOC as to their facility requirements. Please bring a mask with you in the event they require it. If they require mask wearing inside the facility, everyone will be required to do so.

Event Fee/Payment Process--Payment of \$10 event fee for Club Members and Guests will be accepted at the door. Exact change or check for entry fee is required, i.e., \$10 bills for individuals and \$20 bills for couples. No change for bills over \$20 will be available.

Membership--If you were a paid member in 2020, your 2021 membership fee is waived and your membership card is valid through 2021. Non-members applying for 2021 membership will pay a pro-rated fee of \$10 per person and must have exact change to submit with the application in addition to the event entry fee of \$10 per person. The club membership application also is available on the club website with an address provided for mailing.

Dance Lessons--Dance lessons will not be offered at this dance.

Food/Beverage--Cash bar will be available. No food will be available at this dance. No outside food or beverage will be permitted in the facility.

Table Clean Up--In observance of added sanitary precautions, and as a courtesy to club volunteers, members are asked to clean off their tables upon leaving the dance. This is a requirement of our rental agreement, and KOC does not provide staff to assist with clean up.
