

8/30/21

In light of increases in COVID-19 cases and continuing concerns about member safety, the DCHDC Board of Directors voted today to **cancel our weekly dances** at Alibi's Bar & Grill and Glory Days Grill through the month of September. In addition, the September 11 monthly dance at KOC **will not be held**.

The board will continue to monitor the COVID situation and is preparing a member survey to help in developing a plan to host a safe event in October.

We appreciate the many members who already reached out to us through email, phone calls, text messages and on Facebook to share their thoughts.

Thank you & stay safe,

DCHDC Board of Directors
