BASIC FIREARMS FUNDAMENTALS & SELF-DEFENSE COURSES

SATURDAY & MID-WEEK CLASSES PRESENTED

FOUR Firearms Training Classes ROLLED into ONE, **GREAT COURSE!**

Expert Firearms Instruction by Police Officer & Police Academy Tactical Instructor (Retired)

Our workshops are small, hands-on, interactive, and create a broad learning experience. Questions and participation are encouraged throughout the Workshop. Each topic is aimed at building confidence & instill proper gun etiquette, vocabulary and to **ALWAYS** practice **SAFETY!** You will gain useful defensive shooting information that leads to skills development. Pupils learn valuable handgun knowledge, essential firearms fundamentals, develop smart defensive tactics, establish important **marksMANship** & **marksWOMANship** skills, to improve proficiency and determine which handgun is right for **YOU!** Our goal is to teach students how to defend themselves and their family for that dark night when the "WOLVES" are at the door.

When training sessions are presented by **5150 HEAT** our past students tell us that our "four-classes rolled into one training course" is far superior to all basic and many intermediate firearms training classes offered.

COURSE 1: The NRA Basic Pistol Shooting Course introduces students to the knowledge, skills and attitude necessary for owning and using a pistol safely. *NRA Basic Pistol Certificate Awarded.*

COURSE 2: USCCA Basic Firearms Fundamentals & Self-Defense. *USCCA Firearms Fundamentals Certificate Awarded.*

Going to the Range is Expensive & Inconvenient and leaves shooters with HUGE TRAINING GAPS!

COURSE 3: **5150 HEAT is Changing the World of Firearms Training!** The NRA Pistol Marksmanship Simulator Training Course introduces basic marksmanship fundamentals. Such as: firearm safety, proper stance, grip, sight alignment/picture, trigger/breath control, follow through & recovery. **NO LIVE FIRE** range time happens, until Course 4! Train Like Professional Military & Law Enforcement. We use World Class Laser Pistols & electronic target systems. *NRA Pistol Marksmanship Simulator Training Course certificate awarded.*

COURSE 4: Extend your Firearms Training experience live fire training with a professional police firearms instructor at a local indoor shooting range,* with a wide choice of rental guns to choose from. If you don't own a handgun yet... **NO PROBLEM!** You can rent one from the range and purchase their ammo for about (\$25 to \$35) per 50 round bag, (caliber(s) & cost vary). You can use one of my .22 caliber pistols at \$10 and use my ammo supply for a \$15 donation. Eventually, we'll focus our sights on a handgun, **ESPECIALLY FOR YOU!**

The cost for the Four Courses Rolled into One Basic Firearms Self-Defense Course is **\$150.***
