Effective Date: 06-23-2023

Welcome to **Flamingo Fly Buy LLC**! We're happy to have you here. As you explore our website and dive into the world of online arbitrage, we want to ensure you have all the information you need. Please take a moment to read through our disclaimers below:

- Accuracy of Information:

We work hard to bring you up-to-date and accurate information. However, we can't guarantee that everything on our website, including the OA deal lists and the Clearance Page Bulk List, are always perfect. The world of online deals moves fast, and sometimes changes can occur before we can update our lists. Remember, using the information from our site is at your own risk and we do not imply any guaranteed outcome from using our products, services and/or information. However, if there is ever an issue with a product or site on our lists, contact us within 24 hours of purchasing the list, and we will replace it free of charge with a valid product/site. Please contact us and we will immediately resolve any concerns you have and will do the right thing.

- Earnings and Outcomes:

Our deal lists are designed to help you identify potential opportunities, but as with any business endeavor, there's no surefire recipe for success. They are 100% accurate at the time of posting but cannot be guaranteed over a period. Your earnings depend on a variety of factors including your skills, dedication, and market conditions. We cannot guarantee specific results from using our services and do not imply any guaranteed results or returns. As stated above, we will replace any product on our lists which are not valid at the time of purchase. Examples of "not valid" are out of stock, greater than 5% price or cost difference or inability to purchase from your location. Our lists are only made for the USA market, unless specifically identified for a different country at the time of purchase.

- Affiliate Links:

Although we do not currently have any affiliates, that may change in the future. To support our site and provide more great deals, some links on Flamingo Fly Buy LLC may be affiliate links. This means if you click on the link and make a purchase, we may receive a commission at no extra cost to you. This helps us keep Flamingo Fly Buy up and running. We will always do our best to disclose any affiliations. At the time of writing, there are zero and we do not have any planned.

- Non-Endorsement:

Our website may contain links to other websites, and we may mention various products or services. However, these references are not an endorsement by Flamingo Fly Buy LLC. We encourage you to do your own research and make informed decisions. We recommend products and services which we personally use, but results may always vary depending on many factors including market conditions, individual use and level of understanding of the content.

- Limitation of Liability:

We aim to provide a helpful and safe website experience, but we can't promise it will be error-free or uninterrupted. Flamingo Fly Buy LLC won't be liable for any losses or damage that may happen from using our site or from any transactions based on our provided information, lists or recommendations.
