

LV CLEAR COAT EPOXY

VOC FREE EPOXY, COATING, MOLDING SOLUTION

ABOUT THE EPOXY

By identifying and maximizing the inherent superior properties of plant-based molecules we have developed a VOC-free, renewable epoxy. Perfect for use in corrosive environments, composite materials, paints, moldings, and much more. Our chemistry department can tailor specific properties for your desired use.

Can be up to 90% organic.

Starting from
\$165.00 per Gallon
