

Buffalo Gorge Timber Sale

150 Yards

Key/Notes:

- The **black area** is the timer boundary. There are approximately 60 acres of marked timber on a 300 acre property.
- The **red area** is the best place to park to view the timber.
- The white dotted line is the access road. Truck access is great.
- The **black dotted lines** are trails through the marked timber.
- The **yellow area** is the landing/loading area.
