## MESSAGE TO MEMBERS

Dear Member,

After the most difficult of years, I'm delighted to put pen to paper knowing that Cricket is back.

Everyone in the country will have a lockdown story to tell, and the cricket club is no different. Last season saw us only able to compete for half the season, we had to cancel our schools programme for the 1st time in 15 years and due to limitations in our access to the clubhouse, our social side and finances took a hit. This was compounded by the 2nd lockdown, as we then had to mothball the club until the start of this April month.

Financially we are in a stable position thanks to government lockdown grants and the furlough scheme, however we would be naive to think everything will return to normal and the challenges continue. At present we have no access to the clubhouse and we understand how difficult it has been for everybody, especially businesses when it comes to renewing our sponsorship deals for 2021. Our membership subscriptions are key to our finances and we will be releasing details soon of our junior signing on nights, in the meantime membership can be paid online.

Our search for public funding continues as we look to finance our clubhouse extension, again we are in uncharted territory and the nature of grant support is constantly evolving to meet COVID challenges. The club will update members as when we have further news.

On the cricket side, I'm delighted to report we have had a great early turn out by our Junior Saints with lots of new faces. Our 4 local primary schools have signed up for our coaching programme again, also our All Stars programme for first time cricketers has 32 new children registered. Our girls cricketers have returned in good numbers and we hope to have multiple junior teams competing in a number of leagues. All 3 senior teams look strong and are filled with cricketers who have learnt the game with us having progressed through junior to senior cricket.

Alongside our junior and senior league cricket, we will again be putting out our popular "Silver Fox's" over 50s team, a 20x20 team as well as hosting our bi annual past players day in July. We also hope to be able announce some further exciting fixtures and social events as the summer progresses.

I want to take this opportunity to thank the clubs management team, volunteers and staff who have been fantastic in adapting, maintaining and managing the club through the current crises. They are a very special group of people to have put so much time and energy into to our club for the benefit of all, at such a difficult time for everyone personally shows real class and character.

So its welcome back Saints, let's have a great summers cricket and be thankful we can spend it with our friends and family again.

Regards

Chris Gott
