Choose your own STEAM (Science, Technology, Engineering, Art, Math) Camp:

This is a super fun, hands on , choose your own adventure camp for students in 1st grade through 8th grade and campers will be grouped by age. A variety of centers will be available for students to engage in activities that best suits their personal interests. Students will participate where they want among several choices. LEGO challenges, LEGO robotics, Arts and crafts, games, movement activities, science labs and experiments, engineering and creativity, and more will be the focus of the center choices for students. Camps will be lead by certified teachers with the help of assistants. STUDENTS MAY stay in one area if they choose all week with plenty to do, making their own camp. For example, they may stay with LEGO, or SCIENCE LABS, or ARTS & CRAFTS, etc.

9am-2pm Monday through Thursday for one week. Students may participate in multiple weeks to experience new options. (20 hours per session)

Session Dates:

June 3-6 June 10-13

Liability/Medical Release

In consideration of my child being allowed to participate in the classes and/or activities, camps, and events at CHR or a separate location outsourced by CHR and activities provided by and or sponsored by Canton Homeschool Resources and all teachers, volunteers, and individuals associated with CHR, I assume all risk, including any risks associated with any special medical needs or condition of my myself, family members, guests, of mine and my child, of our/my child's participation in any such activities, including travel incident thereto. I certify that I have insurance reasonably sufficient to cover my child against injury and loss of life caused to my child or caused by my child in connection with such participation and I agree that all expenses relating to or arising out of any such injuries or loss of life will be my sole financial responsibility and my child and I agree to release and hold harmless and indemnify, Canton Homeschool Resources, and all teachers, volunteers, and individuals associated with CHR from and against any and all liability for ANY harm, injury damage, claims, demands, actions, causes of actions or cost and expenses of ANY nature for which my child, my child's family, estate, heirs, administrators, representatives and assigns, arising out of or related to any loss, damage, or injury, including but not limited to suffering, pain, disability and severe injury (including death), that may be sustained by my child in conjunction with my child's participation in the classes and activities. I am solely responsible for anything that could happen and hold CHR and all affiliates harmless and not responsible. I understand and agree to these terms.

By enrolling at CHR or by attending any event or activity sponsored at or by the organization, including but not limited to classes, athletic events, dances, and field trips, you have released CHR from all liability and take responsibility for all injuries and accidents that may occur en route, on site, or at any of our events. You also agree to release CHR and any of its employees and contracted workers from any liability in relation to any school related activities/events or arranged transportation of children. You are also agreeing to several policies when you enrolled stated written and in verbal form and have released all agents from all liabilities in any form. CHR is not responsible for any student belongings. Should ANY dispute ever arise that should be taken to a legal level, this agreement ensures that mediation will be attempted avoiding an expensive jury trial and attorneys. By being a part of the CHR organization, you agree to this policy and waive your rights to pursue legal action outside of a mediation environment. This is beneficial for both parties as a third party, without the high costs of court, can make a legal decision.

In the event of an emergency, or perceived emergency, I understand that CHR will call 911 first and the parent second. I release CHR and its associates from all fees and repercussions that may occur from emergency services. I give CHR permission to treat and to have my child treated if medically deemed appropriate by CHR or emergency personnel. I hold all individuals attempting to assist my child harmless.

Students are allowed to bring technology devices to CHR. As the parent, we encourage you to talk with your student about appropriate websites, cyber etiquette, and safety. While we try to monitor usage, students do have breaks when they like to bring out their devices. We cannot monitor every student closely enough to determine that every second is spent on an appropriate website. CHR, and its affiliates, are not to be held responsible for website activity outside what we instruct the students to use. We encourage you, as parents, to download apps to prevent your child from visiting adult sites if they wish to bring their devices to CHR. Teachers can and often will require students to NOT have their devices out during the day. It is at the discretion of the teacher and administration when devices can be used at CHR. Cyber bullying is immediate cause for dismissal at the sole discretion of CHR.

Please sign below acknowledging a release of liability for the actual device if it is lost or stolen when brought to CHR; a release of liability for all content viewed on technology that was not assigned to students; and that you have spent time watching the videos and exploring the above listed website or one similar.

I understand that if my child is regularly disrupting others, has actions that MAY be perceived as bully like behaviors, is disrespectful to students, staff, the building, or other people's belongings, they may be dismissed immediately without refund. This program is not for students with severe behavior issues and is meant to be a safe and fun program for all. Any student participating in behaviors that may be determined to be unsafe by staff may also result in dismissal without refund. Please ensure your student understands they should behave and act kindly while at summer camp. This is the best way to ensure everyone has a fabulous time!
