Canton Homeschool Resources has an exciting program of enrichment classes planned for homeschool students in grades K-7th. Our classes are designed to engage students in a variety of active learning experiences, all led by certified teachers or appropriately degreed professionals. Classes are offered from 9:00am-2:30pm. For this drop-off program, student's schedules should be chosen by the parents so that classes are consecutive, without breaks, except lunch. *Classes are for students in K-7th grade, unless otherwise noted. Please see our attached school calendar for class days. Students taking Bring Your Own Curriculum, BYOC, classes should come with their homework or other work to complete.*

Registration fee is \$50 (non-refundable, paid once per school year).
