

The Friday Enrichment Program 2022-2023

Canton Homeschool Resources and The Haven Academy offer an exciting Friday Enrichment Program for students in kindergarten to 7th grade. "Fun Fridays" are many students' favorite day of the week! Our classes enhance students' learning by engaging them in a wide variety of high-interest, age-appropriate content and skills through interactive hands-on learning experiences.

Classes are held from 9:00 a.m.-2:30 p.m. Students should bring their lunch, a drink, a snack, and be ready to have an amazingly fun learning day! It is also helpful for students to bring a backpack for carrying home the many works of art, crafts, and projects that they will create.

___ Fitness Fun with Unplugged Gaming for K-2nd grade

___ *Musical Theater for 3rd-7th grade

___ Creative Constructing for 3rd-7th grade

Class Descriptions for Friday Enrichment Program Classes 2022-2023

ART Masterpieces

Students will create their own masterpieces while experimenting with art principles and elements alongside learning the history and culture of many famous artists. Various mediums will be used to create works of art such as, but not limited to, clay, paint, plaster, stencils, papier mâché, watercolors, and oil pastels.

Creative Constructing

Students will enjoy constructing and tinkering with Legos, Magnetic Tiles, Plus Plus blocks, K'Nex, and other building components. Students will be challenged to build catapults that shoot marshmallows, ziplines for their minifigures, marble mazes, bridges, towers, and a lot more! Students in grades 3rd to 7th will use Lego Software, and Lego Movie Making to design and build their own robotics creations and make them come to life with sound and motion. Some of the robotic projects include a remote-controlled rover, a helicopter, and a dump truck.

Fitness Fun and Unplugged Gaming

Students will have fun moving, stretching, mastering obstacle courses and circuit routines, playing organized (non-electronic) games, and even learning some yoga and dance moves. This class helps build cooperation, teamwork, and sportsmanship.

Fun French

Using games, crafts, games, songs, reading, writing, listening, speaking, and other fun activities French students will explore the 5 C's of foreign language education: Communication, Culture, Connections, Comparisons, and Community. Students will learn basic phrases, vocabulary, and conversational French.

Journey Back in Time

In this class, students will enjoy learning history and geography through activities, crafting, and playing games based on high-interest historical people, places, and cultures.

Learning History with American Girl Dolls

This class isn't just for doll-lovers, yet it is inspired by the historical fiction American Girl Doll book series. Students will learn American history, geography, and culture as they do fun activities, games, crafts, and even some cooking all coinciding with their learning about the lives and times of the American Girl dolls.

*Musical Theater for K-7th

Our classically trained theater teacher, Mrs. Ann Burgess, is renowned for her talent and skills with students! Every child has a part or position as they act, sing, dance, and learn about backstage theater production while preparing for a holiday production in December (may include Christian content) and a spring show. Exact show dates and program details to be decided based

on enrollment numbers each semester. Musical Theater is an additional \$25 per month and \$25 registration fee.

Project Based Learning

Students will learn new cross-curricular skills and teamwork as they engage in active exploration, critical thinking, collaboration, communication, research, and problem solving while completing real world tasks such as designing board games, helping with charity drives, creating brochures and posters, producing videos or plays, and conducting interviews. Example projects include planning a food truck business with models, creating a fictional theme park, and coordinating and advertising school charity initiatives.

STEAM

Students will learn new skills and principles while engaging in hands-on activities utilizing **Science, Technology, Engineering, Art, and Mathematic** fundamentals. While having fun, students will be enhancing their creative thinking, problem solving, and team building skills. Some examples of activities are learning about buoyancy by building boats, constructing simple machines such as ramps and pulleys to complete jobs, and creating solar ovens to learn about alternative forms of energy.

Friday Enrichment Program Dates-

First semester- August 12, 19, 26 September 2, 9, 16, 30
October 7, 14, 21, 28 November 4, 11, 18 December 2, 9
Second semester- January 13, 20, 27 February 3, 10, 17
March 3, 10, 17, 24, 31 April 14, 21, 28 May 5, 12

If more than two Fridays are missed due to inclement weather or some other unforeseen circumstance, during the first semester (August to December) we will have a make-up day on Friday, December 16, 2022. If more than two days are missed during the second semester (January to May), we will have a make-up day on Friday, May 19, 2023.

Program Costs

The registration fee is \$50 (non-refundable, paid once per school year). Supply fee is \$100 (non-refundable, paid once per school year). Tuition is \$165 paid monthly for 10 months from August 1, 2022 to May 1, 2023. Siblings' tuition cost, with the sibling discount of \$50 off, is \$115 a month for 10 months. Hybrid and full-time students receive an additional 5% off the tuition rates above.

*Musical Theater is an additional \$25 per month and the registration fee is \$25 (non-refundable, paid once per school year). Students attending Musical Theater have a tuition cost of \$190 a month and siblings' cost is \$140 a month for 10 months, August 1, 2022 to May 1, 2023.

Payments can be made by cash, check, or money order submitted in person, mailed, or online or using a credit or debit card. Online, debit or credit card payments will have a 4% processing fee added. Check or money order payments may be mailed to Canton Homeschool Resources 4280 Hickory Flat Highway Suite 100 Canton, GA 30115 or through Zelle payment to Tammy@CantonHomeschoolResources.com.
