

Registration for 2019-2020 school year:

Canton Homeschool Resources

I, _____, am enrolling my child(ren)

_____ in
Enrichment Class(es) at CHR for the 2019-2020 school year. My child(ren) will be in _____ grade(s) for this school year. I understand the following: This contract is for the sole purpose of ensuring that CHR continues to be the amazing place that it is and can continue to improve rather than spend a great deal of time on collections. CHR bases the semester budget on enrollment and wants to do their very best for students. It is for this reason, a contract for the school year or an individual semester is put into place. If I have any questions, I can ask prior to signing my child up for CHR.

I understand that this is a homeschool enrichment program, not a primary educational program. Teachers will plan and teach engaging lessons, encourage friendships and socialization, and help my child in other ways as they see fit. No grades or homework will be assigned. Ultimately, as the homeschool parent, I am responsible for my student(s) getting their primary school work done and getting passing grades, outside this enrichment program. I understand that I will have the ability to contact every teacher and administrator through Edsby messaging as well as by email/phone/text. CHR is here to help my student and family homeschool successfully. I understand that it is my responsibility to follow GA state laws for homeschooling. CHR will help explain them to me and assist with direction but cannot do it for me.

I understand that registration at CHR is a commitment for a school semester or a full school year. I am agreeing to a tuition agreement that outlines enrollment for one semester or a full school year.

Initials- _____

If I pull my student out of CHR classes, I am responsible for the full tuition amount of at least one semester that I am agreeing to pay at registration. If after the first semester, I choose to not continue classes at Program I will inform CHR by email to Renee@CantonHomeschoolResources.com by December 1st, 2019. Then after receiving confirmation, I will be unenrolled from the enrichment classes and the associated payments for the remaining second semester of the school year. Monthly payment arrangements are done as a courtesy by CHR based on the full number of class days in a semester. There are 15 Mondays, 15 Wednesdays, and 17 Fridays per semester. Please see the class dates listed below. Payment is averaged so that tuition rates do not fluctuate between long and short months. The tuition payment plan is a payment plan is broken up into monthly payments for me. All tuition for the 2019-2020 school year must be paid in full for the first semester by December 1, 2019 and for the second semester by April 1, 2020.

Friday Enrichment Program Dates-

Enrichment Classes Costs-

Registration fee is \$50 for nonhybrid students, \$25 for hybrid students (non-refundable, paid once per school year)

Supply fee is \$100 per school year for full day program or \$20 per individual class

Tuition is \$150 for full day (5 classes) or \$30 per individual class, paid monthly for 10 months from July 1st -April 1st.

Siblings' cost, with discount, is \$100 a month for 10 months.

*Those who wish to pay the entire year in advance of August 1 in cash or check will get a total 5% discount on the year or semester tuition amount.

Late fees will remain the same at \$25 added on the 16th of each month if not paid. Payments still not paid by the following month 1st day will have an additional \$25 late fee added on. Students will not be able to attend if the late tuition and current tuition amounts due are not paid by the 15th of the month. Frequent late payments and staying behind a month will no longer be permitted as too much time is taken on collections instead of educating and pursuing better opportunities for students.

I understand that CHR has a nonrefundable registration fee that secures my child's spot and covers administrative work. The nonrefundable supply fee covers the use of all supplies used in our classes, science labs, art classes, and in the building throughout the year. The supply fee is due by July 31st. Tuition payments are to be paid one month in advance July 1st, 2019 to April 1st 2020.

I understand that the enforcement of the contracts and fee schedules are to reduce the amount of administration time spent on the collection process so this time can be better served helping students, improving CHR offerings, and overall making a better program for students and families. It is at the sole discretion of the CHR administration to make exceptions to the financial policies stated above. If I am in need of paying tuition on a certain date outside of the dates mentioned, or if I have a situation that needs special consideration, I understand that I can take this issue to the CHR administration for consideration.

I understand that CHR has a strict behavior policy in place that does not allow aggressive behaviors on any level, destruction of property, frequent disruption of learning, or any disrespectful behaviors that may be considered by CHR administration as unsafe or unsuitable for classroom learning. Our job is to create and keep a SAFE and FUN learning environment for all. Safety is our number one priority.
