

PREGNANCY LOSS

providing support in work spaces

**"I carried you every second of your life, and I will remember you every second of mine
– Unknown**

600,000

Miscarriages
a year

64,000

Ectopic
pregnancies
a year

1 in 4

women will lose a
baby during
pregnancy, delivery
or infancy.

24,000

Stillbirths
a year

Ways businesses and organizations can help

- Provide appropriate pregnancy and infant loss language in your workplace policy.
- Provide information about support online or locally.
- Be as supportive as possible.

How it will benefit the employer and employee.

- It will improve the well-being of the employee.
- It will build a strong trust and support between the employer and employee.
- Potential employees will be satisfied to know your company policy is inclusive.

PREGNANCY LOSS

providing support in different spaces

How to encourage management to include pregnancy loss in the policy.

- Start a work group of employees who are interested in advocating for this policy change
- Speak with management to get by in- Offer information and host a discussion session to educate the management on the issue.
