-Placement classes are optional for dancers ages 7 and under.

-Please come to your appropriate age and level unless your 2018/19 group is noted above.

-Dancers may arrive 30 min. prior to any placement class to quietly “warm-up”.

-Some dancers may receive a “call back” to audition with an older/more advanced group.

Keep this in mind as it might make for a long day. Please bring plenty of water, healthy snacks and something to read or otherwise occupy your time.

-Dancers who are planning to stay in the waiting area while other placement classes are being conducted will be expected to sit quietly so as not cause distraction. Disruptive dancers will be asked to call a parent to be picked up.
