

DEBBI'S DANCE

Dance Class Protocols...

Say Hello

Upon entering the studio, please say hello to our front desk staff and sanitize your hands. Our classroom assignment will be at the front desk and teachers will greet dancers in the lobby and invite them into their classroom.

What to bring, What to wear, What not to bring...

Dancers should bring a water bottle, and arrive in dancewear with hair pulled back and secured out of their face. Dancers should bring a small dance bag with them to hold their shoes and other items and keep their belongings with them (or with a parent) at all times. Please do not leave personal items including dance bags unattended in waiting areas.

Water Bottles & Food

Dancers need to bring their own water bottles and healthy snacks (if they'd like to eat a snack in between classes). Please do not share water bottles or food between dancers. Small cups are available complimentary at the front desk and bottled water is available for purchase at the front desk for \$1 that we can apply to your dance account.

Dance Footwear Required

In the first couple of weeks of dance class, it's completely ok for students to wear socks to class as they're testing out class and waiting for dance shoes to arrive. After that, we ask that dancers wear shoes designated for dance class or socks with grips on the bottom. Please, do not wear sneakers that are worn outside or have bare feet while at the dance studio.

Class Times / Arrival & Pick Up

Most class times are 50 minutes. Please drop off and pick up dancers as close to class times as possible. It works well to pull into our parking lot at the South entrance near Linnea's Boutique, line up alongside the curb in front of Debbi's Dance and exit at the North exit in front of Debbi's Dance, Etc./McKinney's. If you'd like to come inside to pick up your dancer, please park in a parking stall.

Covid & Cold/Flu Safety Precautions

Masking is optional. Please be respectful of each individual's personal choice regarding whether or not to wear a mask. Please stay home if you are sick, exhibiting any cold/flu/covid symptoms, or are exposed to covid. We are happy to provide you with make-up class options. Please follow CDC guidelines regarding masking/quarantine when needed.

Thank you for dancing with us! We're looking forward to a great dance season!
