

## Disneyland Update – January 2019

*We have been officially accepted to dance in Disneyland's California Adventure theme park and rehearsals for our exciting show have already begun! Here are some preliminary details:*

- Dates:** Our performance and workshop dates are **July 27-28, 2019**. Since we will not know exact times until just a couple of weeks before our trip, please plan to arrive in Anaheim no later than **Fri, July 26<sup>th</sup>** and leave on **July 29<sup>th</sup>** at the earliest. *(Also note, we need all dancers to be present at our final Disney dress rehearsal—at this time we are planning for that to be on **Mon, July 22<sup>nd</sup>**, so we are asking you not make any travel plans until after that date.)*
- Rehearsals:** From now through recital, dancers should plan to be at all Thursday night rehearsals unless otherwise noted on the Disneyland board in the hallway. Be sure to check the board every week for your rehearsal schedule and come to class prepared. It is very important that all dancers are present at their rehearsals. You will run the risk of being left out of choreography if you are not present. The studio summer schedule has not been set, but at this point we are planning to rehearse our Disney show on Monday evenings with our final rehearsal being on **Mon, July 22<sup>nd</sup>**. Please make your summer plans around all of these important rehearsals. Additional rehearsals will be determined as needed.
- Costumes:** Our base costume is on the recital costume order form. The deadline to order is **Fri, Jan. 25<sup>th</sup>**. Be on the lookout for information about additional costume pieces to be determined and ordered later this spring.
- T-Shirts/Etc:** You will have the option to order Disney merchandise with our group name to promote our show in the park or just to have as a souvenir. Orders will be open to dancers, family and friends and are **due Thurs, Apr. 25<sup>th</sup>**.
- Park Tickets:** We will be ordering “Park Hopper” tickets which grant access to both Disneyland and California Adventure later this spring. All participating dancers must purchase their tickets through the Disney Performing Arts program. Family and friends are welcome to do so as well. These tickets are discounted from gate prices. 2019 Package prices per person are \$210 (2-day), \$270 (3-day), \$310 (4-day) or \$340 (5-day). Dancers will also pay a \$25 workshop fee when park tickets are ordered. The deadline for both is **Wed, Apr. 10<sup>th</sup>**.

*Please see Andrea or Michelle if you have any additional questions, and keep checking the Disney board in the studio hallway as well as the Debbi's Dance Disney Trip 2019 Facebook group for additional information. California, here we come!!!*
