You can take your dancer with you through the main entrance or drop them off with our volunteers who will escort them to the dressing room area. All dancers 12 & under need to be in the dressing area 15 minutes before show time. The dancers performing in the 1st half will stay in the dressing room with their designated class mom and other volunteers and dancers only performing in the 2nd half will be escorted as a group to watch the first of the show from the dancer section in the auditorium.

Please see “Determine Your Show” for your dancer’s performance and Ticket Information section for options for Dancers to attend shows they’re not performing in.

Dancers Performing in the 1st half of the show will wait in & watch the 1st half of the show from the dressing room areas. Recital Logistics for Young Dancers

Please make sure your dancer has eaten and used the restroom and drop your dancer off “ready to dance” in their costume with hair and make-up done and wearing their dance shoes. If your dancer has more than one routine, bring a bag with their costume (including shoes, tights and accessories all labeled with dancer’s name and name of dance on the bag) to leave with Dressing room staff. Please do not leave any other belongings (including street shoes, jackets, water bottles, etc.). Dancers will be monitored in the Black Box dressing room by teachers and volunteers. There will be a TV monitor so they can watch the show and cups of water will be provided.

If you have a dancer in one of our Mini age Classes and you would prefer to have your dancer to sit with you, please coordinate with the class mom backstage so they’re not worried. Your dancer can sit on your lap or you may purchase a reserved seat for them. If they’re with you, please be sure to bring them backstage at least **5 numbers before they dance** and/or **3 numbers before the end of the show** so they’re ready for the finale.

Coming Soon – Specialized Instructions for each Specific Mini Age Class.
