# **BAMBOO CASKETS** ROUNDED

Caring for our Environment goes beyond our end of life. That is why our Eco-Friendly Willow Caskets & Carriers are recommended for Green Burials as they can be placed directly into the ground and will break down naturally over time. Alternately, they are ideal for Direct, Low Cost and Up-Market Cremations.

Sequoia - Natural

Decorative use of BAMBOO's natural colors.

## 100% Eco-Friendly, Biodegradable & Sustainable

Our Eco-Friendly Caskets and Body Carriers are handcrafted by skilled weavers, with each Casket or Carrier created from 100% Eco-Friendly, Biodegradable and Sustainable Materials such as fast growing, rapidly replaced Willow, Seagrass, or Bamboo. Using Willow, Seagrass or Bamboo leaves a small carbon footprint as heavy machinery is not required for harvesting.

**SEQUOIA SERIES - ROUNDED** 

### **Features**

Strong Bamboo Toggles and rope closure
