## Our Response to COVID-19

[Cape Cod XC Running Camp Summer 2020 Update - July 10th 2020](#)

July 3rd 2020 brought some disappointing news to the Summer Camp industry in Massachusetts. We had anticipated that overnight camps would be allowed to open in **Phase III** which would have been on **Monday, July 6th. However, Governor Baker has indicated that overnight Summer Camps will not open until Phase IV in 2021.** Because we operate our entire business under a summer camp license through the local Department of Health, this action taken by the State of Massachusetts now makes it unlawful to host a residential/overnight XC running camp in Brewster, MA at the Cape Cod Sea Camps facility.

This is very frustrating and disappointing news that the State of MA chose limited communication with Summer Camps and their decisions were left to the last minute with no forewarning.

The complete detail of reopening of Massachusetts was published on July 3 and can be seen here:

<https://www.mass.gov/info-details/reopening-when-can-my-business-reopen#recreation-&-outdoors->

Unfortunately, we are now forced to cancel our reservation for 2020 with Cape Cod Sea Camps.

**The good news!!!** is that Cape Cod XC Running Camp LLC has secured dates to host CCXCRC 2020 in late August and can operate as a day camp in New Jersey at:

Jeff Lake Camp (38 Jefferson Lake Rd, Stanhope, NJ 07874) <https://www.jefflakecamp.com/>

# CCXCRC JEFF LAKE CAMP NEW JERSEY
