

# ADDICTION RESOURCES IN DANE COUNTY

## HOTLINE NUMBERS:

**Safe Communities** 24-7 Recovery Coach Helpline [\(608\) 228-1278](tel:6082281278) If incarcerated, call [888-811-3689](tel:8888113689) x 1  
[referral@safercommunity.net](mailto:referral@safercommunity.net) [www.safercommunity.net](http://www.safercommunity.net)

This is for Dane County residents thinking about using alcohol and/or other substances or struggling with substance use issues during the coronavirus epidemic. Calls are free. No insurance is needed.

This service, sponsored by the nonprofit Safe Communities, is for previous alcohol and/or other substance users, those now in treatment or those tempted to start, and those concerned about a loved one. Callers talk confidentially with Recovery Coaches who are not professional therapists but in long-term recovery from their own alcohol or substance use and have training in how to help others as advocates, peers and confidantes.

**COVID-19 Resources & Information:** <https://www.samhsa.gov/coronavirus>

**Addiction Recovery Hotline:** Dial “211” and select number “3”

The Addiction Recovery Hotline is accessed through United Way’s 211 center. The United Way 211 center provides information to many social service providers in the local area.

**Substance Abuse and Mental Health Services Administration (SAMHSA) NATIONAL HELPLINE:**

The National Helpline provides 24-hour free confidential referrals and information about mental and/or substance use disorders, prevention, treatment, and recovery in English and Spanish. In Madison, through Journey Mental Health.

**Dane County Human Services** Self-Referral Number (608) 242-6437

Visit their website for resources and other information [www.danecountyhumanservices.org/aoda](http://www.danecountyhumanservices.org/aoda)

Click on options available through the pull-down menu on the right-hand side.

**Madison Addiction Recovery Initiative (MARI)** 608-261- 8591

The Madison Addiction Recovery Initiative (MARI) is a Smart Policing initiative that seeks to refer persons who overdose or are stopped for low-level, victimless offenses and offer them a referral to medication-assisted and behavioral drug treatment as an alternative to jail. No charges will be filed as long as the client meets program requirements as of six months after the incident. Absence of a criminal record improves clients' abilities to obtain housing and employment.
