General Motors

Manufacturer Safety recall issued

- NHTSA #19V088
- Transport Canada# 19997
- Recall #N182204190 FUEL TANK EXPANSION INTO DRIVELINE
- Status: Remedy Available

Locate an authorized General Motors dealer to obtain more information about this recall.

 **Learn more about this recall**

Description: General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2016 - 2018 model-year Chevrolet Silverado 3500 and GMC Sierra 3500 vehicles equipped with gas engines and dual fuel tanks. In these vehicles, if the fuel-level sensor in the front tank becomes stuck in a low-level position, the rear tank may overfill the front tank and potentially cause it to expand. In rare circumstances, the front fuel tank could expand and contact a moving drive shaft, which could create a hole in the front fuel tank and allow fuel to leak.

If leaked fuel encounters a potential ignition source, a fire could occur.

Remedy: Dealers will replace the rear-tank fuel-pump module. Dealers will also inspect the front tank and replace if necessary.

Vehicle offered for sale

Have Questions? Consumers, please visit our Help Center at www.carfax.com. Dealers or Subscribers, please visit our Help Center at www.carfaxonline.com.

**Glossary**

Commercial

Vehicle was registered for business purposes.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
