GET PLUGGED IN

Don't get overwhelmed with the resources. Take your time, but not too much time, because success loves speed. When you first join, that is when you have the most excitement and it's contagious. Don't let that fade. Jump right in!

KNOW YOUR WHY

Dig deep here my friend. Identifying your why and understanding how it goes hand and hand with your goals will help to remind you why you're doing this, giving up will cause you to lose, and motivate you to continue on. Walk in reverse here with me...

What's your Goal:

What will this give you?

AND What will this give you?

AND What will this give you?

Worksheet 4

HERO PRODUCTS

It's time to start deciding on the products you want to share!
Farmasi has 500+ sku's so its clear that we can't share absolutely everything. So lets cut that down to the products you want to share!

Are you most interested in:

☐

Makeup / Skincare

☐

Hair care

☐

Nutrition

Make a list of a few products you want to try and or want to share:

☐

Download TELEGRAM APP & check out our team product content channel

And use the Farmasi website to learn about the products

Notes:

WARM MARKET

Now, it's not a guarantee that these are the people who will jump to support you right away, but this is a great place to start.
Make a list of the first 25 people that come to mind.

Now this is not just asking them for a sale. Yes, some might be interested in buying, others may be interested in doing the business with you. But also these could be people open to even just sharing a post for you to their friends.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
