

Positively Pointed

Use a pointed round brush to make these designs!

Pressure Point Stroke
Load brush with up to 3 colors. Press down and pull back to a point in a continuous motion.

Point Pressure Stroke
Follow procedure above, altering the direction the stroke starts. Notice the differences in shading.

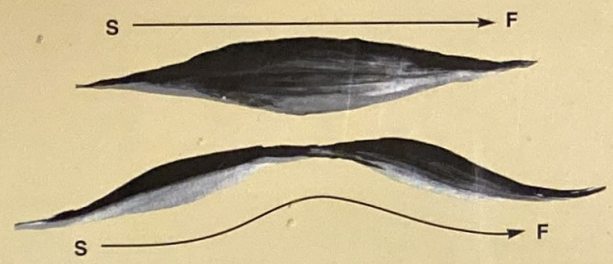

Mayco®

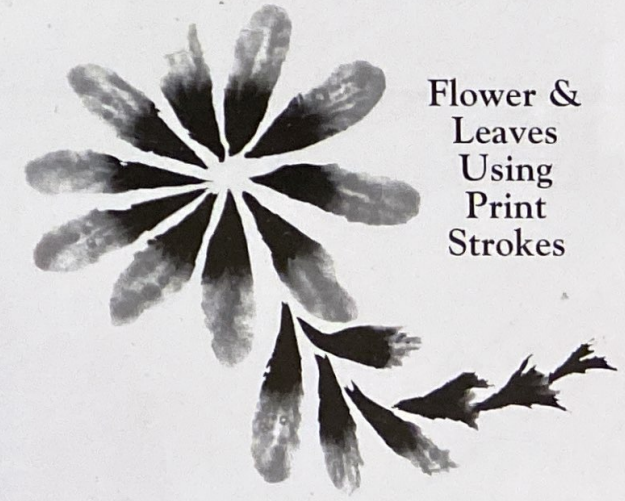

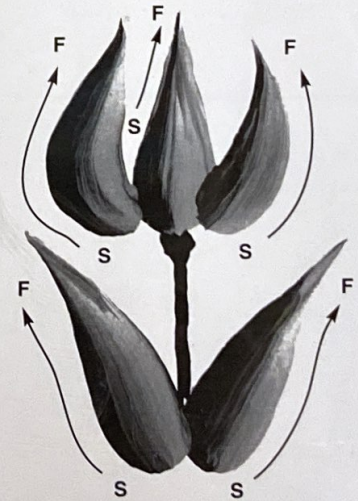

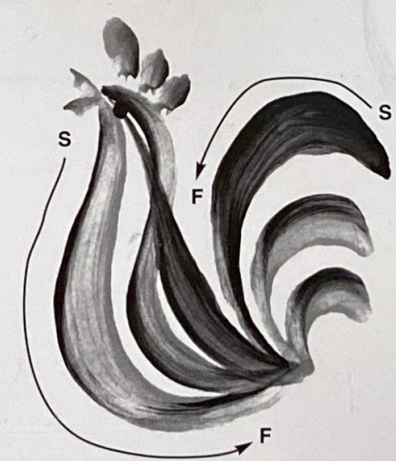

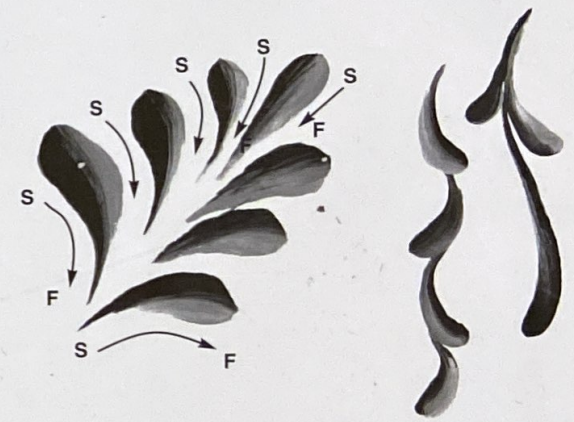

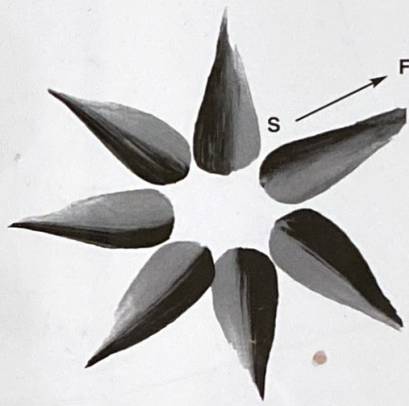

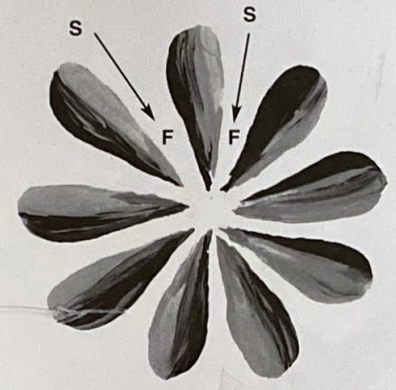

Print Stroke
Load brush with color. Start at point, drop brush and lift up, creating a print.

Point, Pressure, Point

All designs use Pressure Point Strokes

Flower & Leaves Using Print Strokes
