STARTED BY DREW SWAN, FOREVER 24

DEDICATION

This book is dedicated to the memory of Drew Swan, whose life was tragically cut short by synthetic opioid poisoning. Drew was, as they say, *badass*. He was smart, a model, a champion athlete, an accomplished writer, a published musician (DrewSwan.com), kind, and really funny. He was loved, yes, but all who knew him really *liked* him too.

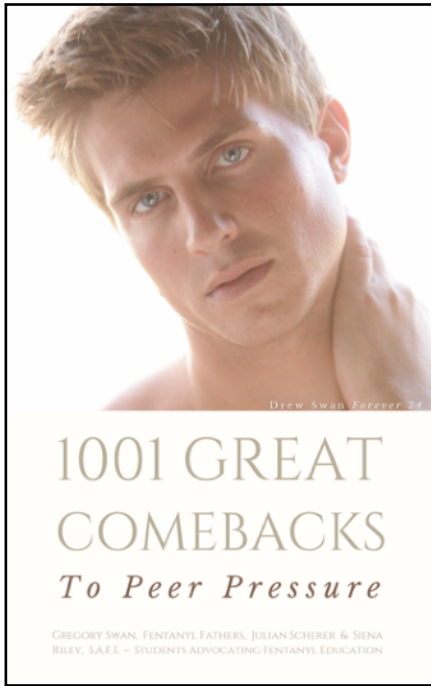

Drew's death was not in vain. [His story](#) (Link: youtube.com/watch?v=UAYjhPyxKOA, or search "Fentanyl Kills Drew Swan") serves as a powerful reminder of the devastating

consequences of drug use or experimentation and the critical importance of making informed, strong choices when faced with peer pressure. Drew even helped his father in the early writing of this book with many submissions and suggestions.

May this book be a tool to save countless lives by empowering young people to stand firm in the face of temptation, to value their futures, and to make decisions that reflect their worth and potential.

To all those who have been confronted with peer pressure: you are not alone, and your life truly matters. Drew's legacy lives on in every person who finds strength and wisdom within these pages. Together, we can honor his memory by building a safer, stronger future for ourselves and for generations to come.

Also peppered throughout these pages are photos of teens - many of whom have died through ignorance of Fentanyl poisoning. Knowing that the odds are likely that every unprescribed pill or illicit drug contains a deadly amount of fentanyl, ignorance is no longer an option. These comeback tools - if practiced and made your own, can become effective weapons to ward off foolish, fatal decisions. You deserve to make mistakes. You do NOT deserve to die from them.

Shakespeare said "All the world's a stage, and all the men and women merely players." Perhaps he was right. In this case, you may be acting - and that's ok. Acting is what kept Anne Frank alive all those months so she could write her diary. Acting can keep you alive. In the 1980s, First Lady Nancy Reagan created a "Just Say No" to drugs campaign. It sounded noble - but it failed. This book - if studied - is to equip you with zingers - sometimes scorched earth PG13 rated replies - to turn the tables and make the tempter, not you, play the fool.

If act you must - then act. Eventually - these comebacks will become your own with self confidence and impact. Have a great, long life. You hold in your hand a weapon so powerful you should never have to succumb peer pressure that would cut your life short. Go get 'em kid. Win an Academy Award for those who love you - there are more who do than you even realize. Give your dreams a shot at being realized - stay alive - it's a dangerous world out there where deaths through accidental poisoning have never been this prevalent. Over 100,000 young people are being killed every year in the United

States! But you are different - you're too smart for any of that now. Enjoy taking control - and I will see you - and yes I really mean YOU- in the winner's circle - *at the top!*

Why You May Need This Book

This book is raw, but it's real. If you're a Christian, you'll find the Biblical backing you see at the end. Here are two Proverbs to get you started:

PR 26:4 "Do not answer a fool according to his folly, or you will be like him yourself."

PR 26:5 "Answer a fool according to his folly, or he will be wise in his own eyes."

If you're attracting the wrong attention, use this book to tell unwelcome advances to back off—in a controlled, stylish, and *witty* way. If you're a nerd, keep this book. You'll get cool in no time. And if you're already cool, you can always get cooler—by working on your delivery. These lines will flow off your tongue like a seasoned actor in a movie. But remember: it's not just for entertainment. It's your life we're talking about protecting.

If you're a parent—WAKE UP! The "Game" for your kid's soul has escalated, and the opponent is ruthless. Don't just rely on the "just say no" method—it doesn't always work. Success happens when **preparation** meets opportunity. As John Wooden said, "When opportunity alone comes, it's too late."

Guilt is the #1 emotion people will do anything to avoid, so let's be preventative about it. Ready to take back control? Let's do this. But first, a joke:

Peer Pressure

Two guys are sitting in a bar on top of the Empire State

Building. One says, "Last week, I found out if you jump from here, by the time you hit the 10th floor, the winds will carry you around the building and into a window." The bartender shakes his head.

The second guy says, "No way, that's nuts."

The first guy insists, "It's true! Let me show you!" He jumps and, sure enough, winds whip him around the building into a window.

He returns to the bar and urges the second man to try it. Reluctantly, the second guy jumps... and splat—he hits the ground.

The bartender looks up and says, "Superman, you're a real jerk sometimes."

This is how peer pressure works. Be prepared. Don't let anyone make you jump.

309. "Do you have a diploma in dumb decisions, or did you just wing it?"

310. "Ah, the neighborhood drug pusher, spreading joy and addiction one pill at a time. You must be so popular."

311. "You're like a walking advertisement for the D.A.R.E. program's failure."

312. "So generous of you to offer me a shortcut to failure. I'll pass, thanks."

313. "Wow, you're like the Robin Hood of self-destruction, stealing potential and giving out regrets."

314. “You should put ‘Professional Life Ruiner’ on your resume. You seem to excel at it.”

315. “Thanks, but I’d rather not take career advice from someone whose peak achievement is dealing drugs in high school.”

316. “Ah, the local purveyor of poor life choices. Do you offer a money-back guarantee on wasted potential?”

317. “You’re like the Pied Piper of mediocrity, leading others down the path of regret with your charming little baggies.”

318. “Sorry, I don’t take life advice from someone who thinks drugs are a personality trait.”

319. “You’re like a walking cautionary tale, but with worse fashion sense.”

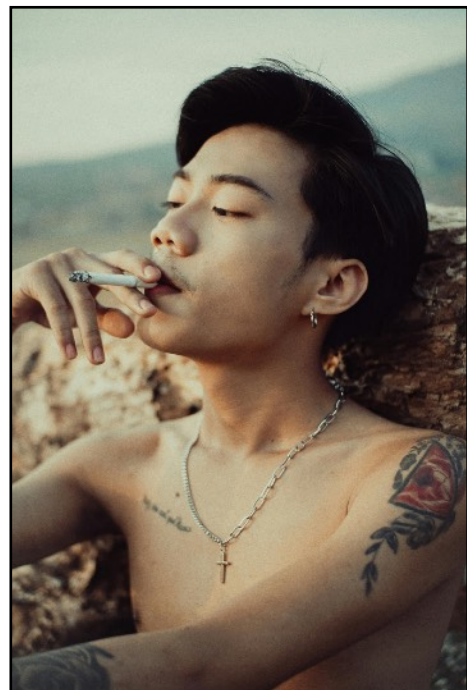

320. “You’re about as subtle as a sledgehammer to the face. Maybe try a different approach to making friends.”

321. “Thanks, but I prefer to surround myself with people who have goals beyond getting high.”

322. “Ah, the resident expert on bad choices. How’s that working out for you?”

323. “You must have ‘misguided influencer’ listed as a special skill on your resume.”

324. “Sorry, I’ve already met my quota for terrible life decisions

today. Can't squeeze in another one, thanks."

325. "There's a 4 to 1 odds of lung cancer, and I don't feel very lucky today"

326. "Sorry, but I'm more interested in impressing someone with substance, not substances."

327. "I prefer someone who can offer stimulating conversation, not just a hit of something."

328. "Real men don't need to rely on drugs to impress a lady."

329. "I'm looking for someone who's high on life, not high on drugs."

330. "I'm attracted to ambition, not addiction."

331. "I'd rather be with someone who's got their priorities straight, not someone who's constantly chasing a high."

332. "I'm more into guys who can handle life's challenges without resorting to numbing themselves."

333. "Sorry, but I'm not interested in being part of your 'rehabilitation project.'"

334. "I prefer to be with someone who respects themselves enough to say no to drugs."

335. "I'm attracted to someone who's got their future planned out, not someone who's living for the moment."

336. "I actually do like my life, do you not like yours?"

337. "I'm too busy building my empire to waste time and money on drugs."

338. "Sorry, but I'm not interested in being someone's financial bailout plan."

339. "I prefer to invest in assets, not liabilities."

340. "I'd rather be wealthy in mind and spirit than rich in regrets."

341. "I'm more attracted to someone who values financial stability over instant gratification."

342. "I'm saving my money for experiences that actually enrich my life, not for substances that drain my bank account."

343. "I'm not interested in financing someone else's bad habits."

344. "I prefer to surround myself with people who are financially responsible and forward-thinking."

345. "Sorry, but I'm not interested in funding someone's downward spiral."

346. "I'd rather be with someone who's financially independent and self-sufficient."

347. "The Bible says, 'Love your neighbor as yourself.' I wouldn't want to hurt myself, so why would I hurt someone else with bad choices?"

Your financial superiority:

348. "I'll pass on the drugs; I prefer to invest my money in assets that appreciate, not substances that depreciate."

349. "I'm too busy building my empire to waste time and money on temporary highs."

350. "Sorry, but I'm not interested in being part of your financial downfall."

351. "I prefer to keep my head clear and my wallet fat. Can't say the same for you."

352. "I'd rather be the one with money in the bank than the one chasing a fleeting high."

353. "I'll stick to smart investments; they have a much higher ROI than drugs."

354. "I'm too focused on building wealth to waste it on substances that lead to poverty."

355. "I prefer to be the one with financial stability, not the one begging for handouts."

356. "I'll pass on the drugs; I'm too busy building generational wealth."

357. "Sorry, but I'm not interested in being dragged down by someone else's financial irresponsibility."

358. "You must confuse me with someone who needs your approval."

359. "Aww, thanks for thinking of me. Still, no."
360. "I don't take pills from strangers—or fools."
361. "You're trying so hard, but I still don't care."
362. "Pass. I'm high on self-respect already."
363. "I've got better plans than a trip to the ER."
364. "You're not exactly inspiring confidence here."
365. "Your idea of fun sounds a lot like my idea of regret."
366. "You do you—but keep me out of your mess."
367. "My autopsy can wait a few decades, but thanks for the offer."
368. "That's not a pill—that's an obituary starter kit."
369. "I'm not into 75% odds of dying, but good luck."
370. "Do I look like I want to gamble with my life?"
371. "Keep that poison for someone less smart than me."
372. "Stop trying so hard—it's embarrassing."
373. "This isn't a party; it's a crime scene waiting to happen."
374. "Thanks, but I prefer staying alive."
375. "That pill is your problem, not my solution."
376. "Your idea of fun comes with a eulogy. No thanks."
377. "Not today, Satan, and not tomorrow either."
378. "Do I look like I need help ruining my life? Nah."

379. "Let me know when your IQ catches up with your bad ideas."
380. "Your party sounds dead—literally."
381. "I don't need a fix; I've got my life handled."
382. "If this is your best sales pitch, you need a new gig."
383. "I've got better places to be than six feet under."
384. "I'm not about to risk my legacy for your lack of common sense."
385. "If I wanted to ruin my life, I'd pick a cooler way to do it."
386. "I plan on being alive for my graduation. You should consider it too."
387. "Your sales pitch needs work, and so does your decision-making."
388. "Aww, it's cute how hard you're trying. Still no."
389. "You think I'd mess with that? Bless your heart."
390. "Not my vibe, not my problem. Move along."
391. "Peer pressure? That's adorable. Do you have any other bad ideas?"
392. "Your offer screams 'bad decision.' I'm screaming 'no.'"
393. "You're selling death, and I'm not buying."
394. "I'll take brain cells over bad choices every time."
395. "I'll keep my heartbeat, thanks."

396. "Do I look like I woke up today and said, 'Yeah, bad decisions sound fun'?"
397. "Oh, I'm sorry—did you think I'd risk it all for that? Hilarious."
398. "Oh, sure, I'll take that...right after I lose all my common sense."
399. "I really like my bed and I don't think a coffin is comfortable"
400. "If I wanted to make bad choices, I'd call my ex."
401. "I don't need substances to be funny, it comes naturally to me"
402. "One time? That's how they got *you*... not me."
403. "That's how I ended up in therapy last time."
404. "You can have fun without *waking up on the floor*, trust me."
405. "You're lucky I even showed up to this party, let's start there."
406. "I like taking selfies, so I don't think I would look good in a mugshot."
407. "If I wanted a headache tomorrow, I'd just call you up for *advice*."
408. "What's that? Peer pressure? Nah, I prefer to make my own choices, thanks."

409. "Why would I need drugs to feel good when I've got a killer playlist and a great sense of humor?"
410. "I prefer my hobbies without the side of death, thanks."
411. "Wow, peer pressure? What is this, the '90s?"
412. "You know, real friends don't hand you a ticket to the afterlife."
413. "Why would you drag me down with you?!"
414. "Love alcohol. Keeps the repeat DUIers off the road so I can like, LIVE to drive home"
415. "Well, they don't call it dope cause it makes you smart- am I missing something here?"
416. "I'm not interested in rushing into anything. I prefer my relationships to have more substance than just 'doing it.'"
417. "You know, I've got this thing called 'self-respect'—pretty hard to fake it after a few bad choices."
418. "Gee- I know cigarettes are cool, but how am I gonna run for President when I'm like, dead?"
419. "I don't need to prove anything to you, but I do need to respect myself."
420. "I'd rather wait for something real than settle for a quick moment of 'coolness'."
421. "Wow. I had no idea chicks would dig me more if I could throw up, stagger around, and mumble."

422. "I've been rich and I've been drunk. I'd rather be rich."

423. "I've been rich and I've been stoned. I'd rather be rich."

424. "I'll bet you coulda made the team. I'll bet ya shoulda studied. I'll bet you woulda been on time if you had your act together. I know these people. Coulda, Shoulda, and Woulda. Their daddy is Mr. "Didn't" and their mommy is "Never Will". Thanks- I'll pass."

425. "I believe in quality over quantity, so no rush here."

426. "Sex is cool and all, but have you tried self-respect? It's incredibly satisfying."

427. "I pass on grass...all the time. (Quote from "Meet the Parents")"

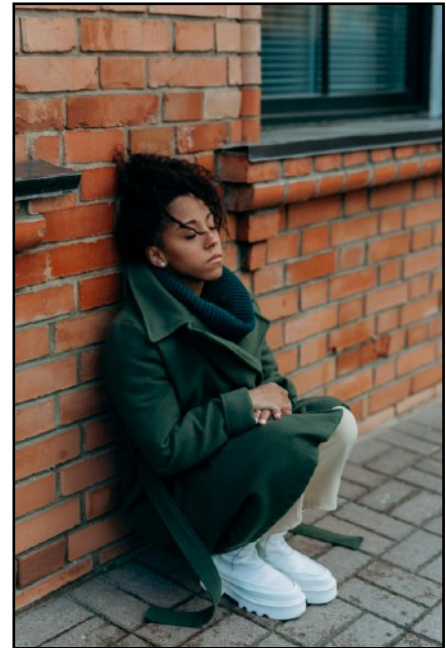

428. "My parents drug test...AND keep giving the car keys!!!! I'd rather keep driving."

429. "Sex? If I wanted it, it's certainly cheaper to buy it than doling out \$200 for this dance. No, I'll survive without your body."

430. "I'm not lacking sex because I can't get it. Your supply exceeds my demand for now - THANK you..."

431. "I'd love to drink, but I don't have Wednesdays open for the rest of my life to meet with 12 Step groups."

432. "I don't need alcohol to have a good time"

433. "What your offering is good. And what I have is better...a future."

434. "It's not that I don't want to get laid, (drunk), or (high.) It's that I want respect more...something I'm lacking a bit of at the moment for you."

435. "How about NOOOOOOOO. (From Austin Powers)."

436. "C'mon- you're better than that. But if your self esteem can't hold up- watch mine. Doin just fine, thanks."

437. "Alcohol is overrated. I've got something better—clarity of thought and 100% of my dignity."

438. "It's not that I don't like getting offered a chance to ruin my life...but I'm just starting it- aight?"

439. "I got a better idea. Let's set ourselves on fire to protest the hours we have to put in at school."

440. "Yo mama is so stupid because she's unaware of how you're pissing away your life."

441. "Seriously, were you dropped on your head when you were born?"

442. "Please, go take your "great idea" to someone dumb enough to follow it."

443. "Hey, Billy Graham himself said "If you don't think sin is fun, you're not committing the right sins." It's not about fun. It's about wrong and regret."

444. "Why drink when I can be this fun on my own? The secret ingredient is called 'self-control.'"

445. "I'm pretty sure I'm the life of the party without the need for any liquid encouragement."

446. "Uh, yea, something better came up- like anything other than your stupid idea."

447. "Are we good? Or do I need to sick my lawyer on your pathetic butt?"

448. "Hey, when you get to the pen for selling that stuff, I have a cousin I'd like you to look up- can you do that for me?"

449. "If I wanted to be a little tipsy, I'd just spin around in circles for a few minutes."

450. "Listen, when you bite from driving drunk, how long do I have to wait to hit on your grieving girlfriend?"

451. "Wow! Sounds like you're going to be a daddy soon! Can I be the Godfather?"

452. "Wait a second...are you 21?"

453. "Gee...my parents said don't do that...at the wake of a drunk driver."

454. "Don't hate me because I'm smarter than you for not doing that."

455. "Listen, someday I may hire you. But I'm going to have to insist on a drug test then."

456. "I don't know if we should be friends, ya know, you're a stoner now."

457. "People like you doing stupid things make it easy for people like me to appear smart."

458. "Tap on your finger like's it's a microphone. Say "Is this working? How about no?"

459. "Are you talking to me? FORGET it."

460. "Why do you keep pressuring me when I've said NO?"

461. "Back off!"

462. "I don't feel like it—do you have any soda?"

463. "Nah. That stuff slows your reaction time. And I really don't need to wrap my car around a tree."

464. "Nah, My mom has better senses than a drug-sniffing dog."

465. "No thanks, if I wanted some I would have asked for it."

466. "Nah, she'll think I'm an idiot if I'm high and stumbling over my words."
467. "No thanks. I'm just gonna be alive a bit longer."
468. "No way, that's just an expensive bag of cancer."
469. "Stealing is so shady. If I got caught, I'd never get a job in any of those stores — they do background checks"
470. "Haha, you cant afford it? You have to steal instead?!"
471. "No, thanks – I'm not into that. Besides, there are tons of people in here to hang with."
472. "No thanks. I'd actually like to remember my birthday."
473. "What part about "No thanks" don't you get? Do I need to talk slower?"
474. "Listen, my old man taught me to never be a pussy. I doubt standing up to you even qualifies, but my answer is still no."
475. "If I wanted something, I'd buy it—not swipe it. I'm not running a heist here."
476. "I'm high all right...on life, my success, and my prospects. Judging by your prospects, you best keep smoking as yours ain't lookin' so good."
477. "Why steal when you can just ask for help? I'd much rather earn respect than risk losing it."
478. "I'll let you know when I care what you think of me. Don't wait up."

479. "I'll indicate what I think is cool by saying 'Wow, that's cool.' Now get out of my face."

480. "Another piece of the puzzle has fallen into place about you."

481. "I'm thinking of a word. It starts with "N" and ends with "Oh". Any guesses?"

482. "Look- My self confidence is just a little past your idiot idea- Okaaay?"

483. "I'm not saying you're an idiot for asking me to do that. Then again I'm not saying you're not."

484. "Is your parole officer OK with that?"

485. "Peace homie. I'm into lower insurance rates, cause like, I pay my own way. Is sugar daddy gonna be there for you in your 30s? I hear chicks REALLY dig that."

486. "I've got a motto: Do it right, or don't do it at all."

487. "Oh I thought about it. Then I thought "Why be an idiot?"

488. "I keep hearing more. More on alcohol, more on drugs, more on sex. No offense, but you're a MORON."

489. "Haha you're an idiot."

490. "Will you name your baby after me?"

491. "I'm not interested in temporary thrills; I'm aiming for long-term wins."

492. "You do you, I'll do me. We're good, right?"

493. "I'm pro-choice. I choose to avoid making that loser choice."

494. "I can put my foot in my mouth, and shoot myself in the foot, but I can't do both at the same time."

495. "You're trying to get me to do something that doesn't align with my values. I'm good, thanks."

496. "How did you get to be so infuriating?"

497. "Thanks- but I prefer my eggs unfertilized."

498. "How about never? Is never good for you?"

499. "I've set aside this special time to humiliate yourself in public."

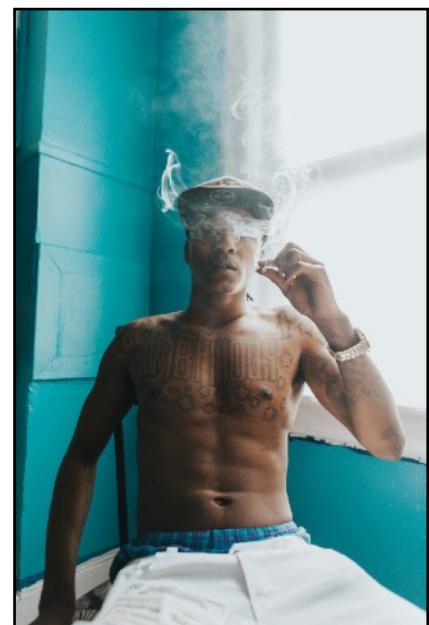

500. "Ahhh... I see the screw-up fairy has visited us again."

501. "I don't know what your problem is, but I'll bet it's hard to pronounce."

502. "I like you. You remind me of me when I was young and stupid."

503. "You are validating my inherent mistrust of strangers."

504. "I'll try being nicer if you'll try being

smarter.”

505. “It sounds like English, but I can’t understand a word you’re saying.”

506. “I can see your point, but I still think you’re full of it.”

507. “I’m already visualizing the duct tape over your mouth.”

508. “No, my powers can only be used for good.”

509. “We’re all refreshed and challenged by your unique point of view.”

510. “The fact that no one understands you doesn’t mean you’re an artist.”

511. “I will always cherish the initial misconceptions I had about you.”

512. “I’m not being rude. You’re just insignificant.”

513. “That means nothing to me.”

514. “OK! I admit it! You’re better than me – later!”

515. “Hey – a real-life bully.”

516. “This is really wrong.”

517. “You get an A in bullying. Mom and Dad must be so proud.”

518. “Done now?”

519. "Look, I don't care what everyone else says- I don't think you're a total loser but you may want to tone it down a notch on the drinking. And no, it's not for me."

520. "Wow everyone was right when they said you're a total loser. NO!"

521. "I don't need your approval to be happy with my choices."

522. "You are horrible at convincing, take lawyer off your potentation career choices"

523. "Who's paying you? Whatever it is I'll double it when I start my company, but you must first get off the drugs."

524. "I know a beautiful woman who digs guys who are successful and drug free. So like, I'm going to be successful and drug free. Get it?"

525. "And what would your mother think about you doing this"

526. "I took you for a smart person. It's only the second time I've been wrong this year."

527. "If you worked as hard at something legitimate, you'd be successful."

528. "Good idea! NOT."

529. "Tell ya what. NO!"

530. "Oh, I'm into that. But it's lower on the priority scale. Right behind getting syphilis, gonorrhoea, aids, lung cancer and a liver transplant."

531. "Id literally rather do anything else"

532. “What a nice gesture to offer...an enemy!”

533. When someone asks you to drink, tell 'em you don't look good in a lampshade (and smile).”

534. When someone tries to force sex, tell 'em your dad is a Green Beret and trains Dobermans for a living.

535. “When I wear a white dress, I'll deserve it- I'm not giving up that right to you. White being a color that I

deserve....because we are waiting, our marriage will be blessed.”

536. “It is much more difficult to believe that someone truly loves you when he or she passes you an STD, instead of virginity, as a wedding gift!”

535. “Wow you're really not who I thought you were”

538. “Nah, I'm allergic to bad decisions. And you're looking a little too... contagious right now.”

539. “You know what's more fun than stealing? Literally anything else that doesn't involve jail time.”

540. “I don't need your bad advice. My mom gave me better tips — like 'don't steal'.”

541. “Steal? Pfft. I'm saving up for a yacht, not a criminal record.”

542. "I don't need to escape reality, I like my life"
543. "I'm already on a natural high... it's called self-respect."
544. "I don't do drugs. I prefer keeping my brain in working order—it's the only one I've got."
545. "I don't need to prove anything to anyone. My self-worth isn't measured in body count."
546. "You know what's more exciting than random sex? Having a solid relationship where *everything* clicks."
547. "Sex is supposed to be fun, not a checklist item. I'll do it when it's right, not when it's expected."
548. "Why settle for a one-night stand when you could have a lifetime of something real?"
549. "I'll pass. I'm more into building trust than building a reputation."
550. "I'm all for a good time, but I don't need a hangover to prove I had one."
551. "Sorry, I'm trying to keep my liver in good shape. I'm planning on outliving you all."
552. "Why drink when you can stay sober and still be the most interesting person in the room?"
553. "I'd rather watch all of you look stupid"
554. "I'm not against alcohol... I just prefer it in moderation. Like, 'really rare' moderation."

555. "I'm not a loser, I'm just 'low-key' successful. You'll catch up eventually."

556. "I may be losing right now, but at least I'm not losing my dignity."

557. "A loser? Nope. Just someone who knows better than to measure success by other people's standards."

HEY MAN DO YOU WANNA GET HIGH?

558. "You've been skydiving before?!"

559. "No, I'm afraid of heights."

560. "No, ever since 9/11 I can't get on a plane."

561. "Yes, do you have a trampoline?"

562. "No thanks, my 12 step group wouldn't approve."

563. "I don't want kids with birth defects"

564. "I thought marijuana was a stimulant."

565. "My dad told me about people like you...suckas!"

566. "Only for medicinal purposes."

567. "Is this a trick question?"

568. "Do I look like I'm crazy?!"

569. "I smoke fools like you on the basketball court."

570. "No I'm stupid enough as it is...but you might pass me up if you keep that up"

571. "Do I want to choke my throat with smoke from dope? Nope, with that I can't cope because I follow the Pope."

572. "I'm on a natural high—no substances required."

573. "Even as a science major I don't believe in life risking experimentation."

574. "Should I turn and run like a baby now? Or just say no."

575. "Would you still like me if I didn't?"

576. "Man you are trippin!"

577. "I'm a cop and you're under arrest...dude you shoulda seen the look on your face."

578. "Why?" (leave them speechless)

579. Munchies = I already ate.

580. Geek out = you're funny lookin'r already.

581. "You are funny." (walks away)

582. "I can't, I'm pregnant...just kidding! But still no."

583. "Now that you mention it, I don't need to get a high, but a good Dr. Pepper will do just fine."

584. "You are what you smoke: A dope."

585. "Pots? No I have enough already."

586. "Weeds? No I have enough already."

587. "Do I have to inhale?"

588. "What, so I can sit around and beg someone to the point of paying them to get me some freakin curly fries?"

589. "I have a game tomorrow, and coach might start me, sorry can't."

590. "It's not in my budget."

591. "Yeah I got a lot of money in the weed market...stock never goes up."

592. "Yeah sure!!!
PSYCHE!!!"

593. "Even if I was a quadriplegic I would still feel pity on retards like you."

594. "GET BENT!"

595. "NICE LIFE BUDDY! SEE YA IN HELL!"

596. "They say the average human only uses 10% of their brain but it sounds like you're not using close to that amount!"

597. "HELL NO!" (Just be confident)

598. "Hold on, I have to call my mom to ask first."

599. "You know that stuff is packed in bricks with cow shit right?"

600. "No I don't like to get down...because with you I'd be down and OUT!!"

601. "You got clear eyes? Yes. Munchies? Yes. Some really good weed? Yes. Yeah the answer is still no."

602. "Aw poor guy, do you really have to escape your life that bad?"

603. "I don't need a joint to light up my world."

COME ON EVERYONE'S DOING IT

604. "Hahah ohhh! Good one! Maybe you should work on your peer pressure lines."

605. "Yeah everyone is dying too. Do you wanna die soon?!"

606. "Your everyone has to meet my everyone."

607. "Wow! Who do YOU hang out with?!"

608. "Hey you got something on your forehead (you brush it off) dang! It won't come off, Oh it's the big L that stands for LOSER!!"

609. "If everyone jumped off a bridge, would you? Because I'm not about that herd mentality."

610. "Everyone's doing it? That's cute. I'm just over here doing *me*."

611. "If I did everything everyone else is doing, I'd be just as boring as them."

612. "Prove it."

613. "Well there is no 'I' in everyone."

614. "If I told you that you were mentally disabled would you hold it against me?"

615. "Why is it that on the weekends we seek to make ourselves stupider than we actually are and on the weekdays, pretend we are smarter than we actually are?"

616. "Yeah, well, 'everyone' is often wrong. I'm good with my decision."

617. "Everyone's doing it? That's why I'm not."

618. "Everyone??? I have to seriously tell the people at my church to stop then!"

619. "Yeah I know. I don't like to conform to society though... I'm a "think out of the box" person. But that's great for...you know...you."

620. "Everyone might be doing it, but that doesn't mean I have to lower my standards."

621. "Haha yeah I know this one time my friend got all stoned with his buddies at the park. Then he drove off a cliff...it was awesome!!!"

622. "Just because you're doing it doesn't mean I have to."

624. "Dude....that shit's illegal."

625. "Death by stupidity. That's some idea you got there."

626. "I'm not trying to impress anyone."

YOU WANNA GET DRUNK DUDE?!!

627. "No, it takes the edge off of my game."

628. "Isn't that illegal?"

972. "Oh sure, let me just sign my death certificate right now."

973. "Why not tattoo 'ASSHOLE' on your forehead to make it official?"

974. "Fake drugs are real killer moves—literally."

975. "How about you stop being a walking cautionary tale?"

976. "Selling death makes you a

loser, not a boss."

977. "Oh, you're not just stupid; you're dangerous."

978. "You're one bad deal away from prison. Keep it up, genius."

979. "You're not a big shot—you're a small-time shithead."

980. "Wow I thought you were dumb, not completely F-ing stupid"

DARK HUMOR AND REAL TALK

981. "If I wanted to die, I'd just swim with sharks, thanks."

982. "You're basically selling death in a pill. Nice work, idiot."

983. "Snapchat pills = the shortest life story ever."

984. "Your drugs are as safe as a car with no brakes."

985. "Sure, let me just join the fentanyl death club. Not."

986. "Your sales pitch sucks almost as much as your moral compass."

987. "Do I look stupid enough to trust a dealer on TikTok?"

988. "Cool, let's all die. You go first, asshole."

989. "I'm not ending my life over your shitty product."

990. "Fake pills aren't worth real funerals."

991. "I will make a great eulogy for you"

FINAL BLOW

992. "Your life choices are trash. Stay away from mine."

993. "Do I look like I want to end up on a morgue slab?"

994. "Oh, you're just out here killing people?
Good to know."

995. "Snapchat pills? Might as well
call it Murder-Mart."

996. "Your poison isn't just deadly
—it's pathetic."

997. "WTF makes you think I trust a
loser like you?"

998. "I'm not dying because you're an idiot."

999. "Keep your death drugs far away from me."

1000. "Do everyone a favor and quit being such a shithead."

1001. "Congrats, you're officially the worst person I've ever
met."

INSURANCE POLICY

Suppose you CAN'T stand up to peer pressure? Suppose you feel you'll actually give in and DIE? In that case, it is advisable to first buy *Fire Insurance*. The ancient writings attributed to God (The Bible) point the way to register your name in Heaven NOW - so they'll be expecting you with a warm welcome when you get there. The following is a road map based on the writings of Dr. Billy Graham.

How to be Absolutely Certain you're going to Heaven

***10 minutes of Good News reading
that will change your life FOREVER!***

The “Good News” is that there *is* a **God who wants to give you a better life** here and **now, plus, life everlasting!**

Amazingly, about 70% of the people in the United States, when asked

“If you were to die today, do you *know for certain* you would go to Heaven?”

answer with **“I’m not sure”** or worse, **“No, I’m not going to Heaven”**.

How would YOU answer this question about going to Heaven?

God wants you to **know for certain** whether or not you have eternal life. How can you know?

Because **you have it in writing from God** ~ in His Word.

“And this is what God has testified: He **has given** us eternal life, and this life is in His Son. So **whoever** has God’s Son **has life**; whoever does not have His Son does not have life. I write this to you who believe in the Son of God, so that you may **know you have** eternal life.” 1 John 5:11-13, NLT

God **LOVES** You! **He really does!!!** You're **very** important to Him! In fact, **you have His very own IMAGE!** (Genesis 1:27) He wants you to live a **FULL** life in peace with Him and to receive **eternal life**. (John 10:10, Luke 22:31). And what does **God** think of **Satan** ~ the father of **LIES** whose mission is to kill, steal, and destroy you, tricking you into **Hell**? (John 10:10, Luke 22:31) **God HATES** him! **He really does!!!** (Matthew 13:39) **God hates him so bad**, and **loves you so much**, He subjected Himself to sheer, unbearable **torture** just to win you back. He's a **hero's hero**, the **Real Deal**. Read on, my friend, and I'll see **YOU** in Heaven...

The following are four practical **Steps to Peace with God**. They're in the Bible, and they're public domain, so feel free to copy them and share them with a friend or loved one.

These simple steps are also the *exact same ones* used by *Dr. Billy Graham*. Now that guy *knew* about helping folks get into **Heaven!**

Step 1 ~ God's Purpose: Peace & Eternal Life

Perhaps you've seen the now famous **John 3:16** sign. What this Bible verse says is: "For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but *have eternal life.*"

A little after that, we read: "...we *have peace* with God through our Lord Jesus Christ."

Romans 5:1

and then..."...the gift of God *is* eternal life in Christ Jesus our Lord."

Romans 6:23b

Since God planned for us to be at peace with Him and to have eternal life, why are many people *NOT* enjoying this experience?

Step 2 ~ Our Problem: Sin & Separation

God did not make us robots to mindlessly love and obey Him. Instead, He gave us a will and freedom of choice.

But, like Adam, we often choose to disobey God and go our own selfish ways (read Genesis chapters 2-3). This side of our nature is called sin, and it separates us from God.

The Bible Says...

“For **all have sinned** and fall short of the glory of God...the wages of sin is **death**.”

Romans 3:23; 6:23

“So (after Adam sinned) the LORD God **banished** him from the Garden of Eden....”

Genesis 3:23a

“But your iniquities have **separated you from your God**; and your sins have hidden His face from you, so that He will not hear.”

Isaiah 59:2

Our sin separates us from God.

Step 3 ~ God's Remedy: The Cross

Jesus Christ is **the only answer** to this problem of separation from God. He died on the cross and rose from the grave to pay the penalty for our sin-completely **bridging the gap** between us and God.

The Bible Says:

“But God demonstrates His own love for us in this: While we were still sinners, **Christ** died for us.” Romans 5:8

“Salvation is found in **no one else**, for there is no other name

under **Heaven** given to men by which we must be saved.” Acts 4:12

“...God is on one side and all the people on the other side, and Christ Jesus, Himself man, is between them to **bring them together...**” 1 Timothy 2:5 (TLB)

“I tell you the truth, **whoever** hears My word (Jesus) and **believes** Him who sent Me **has eternal life** and will not be condemned; he **has crossed over** from death to life.” John 5:24
Time out! Won't my good works get me to Heaven, somehow outweighing the bad?

Good question. Unfortunately, even “...all our righteous acts are like filthy rags”.

Isaiah 64:6

“You can't buy your way to Heaven. All the good things you do in your whole life wouldn't get you one minute into Heaven.” -Billy Graham

*Instead, we must trust what Christ has “**Done**”, not what we can “do”.*

“Therefore, since **we have been made right in God’s sight** by faith, **we have peace with God because of what Jesus Christ our Lord has done for us. Because of our faith, Christ** has brought us into this place of highest privilege where **we now stand**, and we **confidently** and joyfully look forward to sharing God’s glory.” Romans 5:1, 2 NLT

God has provided the only way...and we must make the choice...

Step 4 ~ Our Response: Receive Christ

We can **receive** Jesus Christ when we **believe** in His message and **trust** in Him alone to save us.

The Bible Says...

“All the prophets testify about Him that everyone who **believes** in Him receives forgiveness of sins through His name.” Acts 10:43

“(Jesus said) Do not let your hearts be troubled. Trust in God; **trust** also in Me.”

John 14:1

“But as many as **received** Him, to them He gave **the right** to become children of God, even to those who believe in His name.”

John 1:12

Are you here...

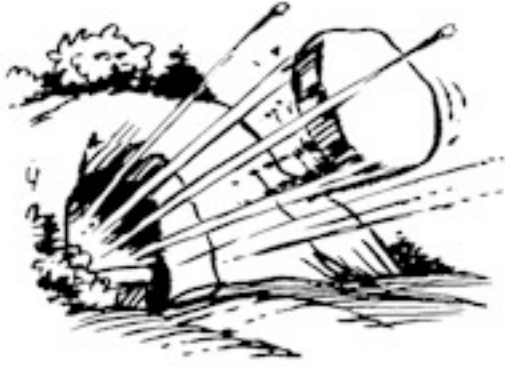

PeopleGod
Anxiety..... Peace
Sin.....Forgiveness *...or here?*

Separation ___*CHRIST*___ Relationship

Eternal Torment (*Ouch!*)..... Life (*Ahhhh...*)

How to receive Christ:

1. Admit your need (I am a sinner). *Say it! Mean it! It's true!*
2. Be willing to turn from your sins (repent). *Want to stop – that's enough to start!*
3. Believe that Jesus Christ died for you on the cross and rose from the grave.

*He did! Over **500 eyewitnesses saw Him** after He rose. (1 Corinthians 15:6)*

History verifies His life, death, and resurrection.

4. Invite Jesus Christ to come in and control your life through the Holy Spirit. (Receive Jesus as your Savior). The Holy Spirit is the gift of God when you accept Christ. The Holy Spirit brings you the power to stop sinning and live a life pleasing to God.

What to pray ~

You may use your own words or say this suggested prayer:

Oh God,

*I am a sinner. I'm sorry for my sin.
I'm willing to turn from my sin, and follow You instead, but I need
your help. I believe Jesus died and rose again to pay the penalty
for my sin. I receive Christ into my heart by faith. Fill me with
your Holy Spirit, Jesus. I want you to be Lord of my life, from this
moment on. In Jesus' name.
Amen.*

God's Assurance:

You have *His Word* on it.

If you sincerely prayed this prayer and asked Jesus Christ to
come into your life, do you know what He has given you?

The Bible Says...

“Whoever calls upon the name of the Lord will
be **saved**.” Romans 10:13

“Neither height nor depth, nor anything else in all creation, will
be able to separate us from the love of God that is in Christ
Jesus our Lord.”

Romans 8:39

“He who has the Son has Life; he who does not have the Son of
God does not have life. These things I have written to you who
believe in the name of the Son of God, that **you**

may **know** that **you have eternal life...**"

1 John 5:12-13, NKJV

"...if you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised Him from the dead, you will be saved. For it is with your heart that **you** believe and **are justified**, and it is with your mouth that **you** confess and **are saved**."

Romans 10:9,10

" Now it is God who makes both us and you stand firm in Christ. He anointed us, set His seal of ownership on us, and put His Spirit in our hearts as a deposit, guaranteeing what is to come." 2 Corinthians 1:21,22

Your New Life:

"When you receive Christ, you are born into God's family through the supernatural work of the Holy Spirit, who indwells every believer...this is called regeneration or 'new birth.' God Bless you as you begin your wonderful new life in Christ."

~Billy Graham

Yahooooooooooooooooo!!! You're in the family now! I can't wait to meet you- here or in Heaven! Are you aware of the huge party you just set off in Heaven? They're more excited

over your simple decision today than over ninety-nine already righteous people who did not need to do what you just did! I suggest you tell someone you received Christ and write down today's date!

Happy New Birthday!

~Greg Swan, Your host today!

“ I tell you ...there will be more **rejoicing in Heaven** over one sinner who repents than over ninety-nine righteous persons who do not need to repent.”

~Jesus Christ (Luke 15:7)

Epilogue...or is it just the beginning?...*What's next?*

Surprise! Nobody wants your money. If you want to, tell a friend right away. By the way - I lost my first born son Drew April 3rd, 2013 here on earth 7 days shy of his 25th birthday.

So you may get why I'm personally SOO glad he took out the ultimate insurance policy- his own salvation. I KNOW Drew is in Heaven waiting for me - having a blast. God's first born son - [Jesus - also died on April 3rd](#). A comforting "coincidence".

And no, we're not going to tell you where to go to church or how to cut your hair or what brand of spring water to drink.

Friend- You're a saint now. Reading any further will NOT change the fact YOU ARE NOW GOING TO HEAVEN FOR SURE! We're talking Done Deal!

Still reading? Boy, you must *really* be excited! I don't blame you! Here *are* some answers for questions you may have (along with even *more* assurances) that will help you right now *UNTIL* you arrive in **Heaven**:

Should I go to a church?

Oh yeah.

It's Time to Do Some Growing!

“Let us not give up meeting together, as some are in the habit of doing, but let us

encourage one another- and all the more as you see the day approaching." Hebrews 10:25
I recommended you look up a Bible believing church, perhaps one close to your home - a simple online search will do it. It will be full of imperfect believers, which is a great place to start. (Imperfect to us, maybe, but not imperfect in God's eyes: "...by one sacrifice-His crucifixion- He has made perfect forever those who are being made holy. Hebrews 10:14)
Perhaps you'll be shy about going into a church. ***That's a good sign!*** Satan doesn't want you to go. Go anyway. **"Just do it."** (Nike® 1:01)*.....*Not in the Bible- recent American Pop Culture phrase

Should I read a Bible?

Yes.

“If you remain in Me and **My words remain in you**, ask **whatever you wish**, and it **will be given you**. This is to My Father's glory, that you bear much fruit, showing yourselves to be My disciples...**apart from Me you can do nothing.**” John 15:7, 8, 5b

Which Bible should I read?

Some different translations that are helpful are: *New Living Translation, New International Version, New King James Version, New American Standard Bible, The Living Bible, The One Year Bible, The Message, The NABRE, The Good News Translation, God's Word, etc.*

Where can I get a Bible?

Almost any bookstore will have several to choose from (It's the best selling book of **all time**- and for good reason!) and certainly any *Christian* bookstore will have any number of modern, understandable versions. Mass retailers also carry many versions. In the United States, for instance, Walmart & Target carry many translations. You can read the Bible for **FREE** on line at www.Bible.com or download their great app and even listen to the Bible while you exercise! You may

also get more help there on how to grow in your relationship with Christ at www.Gospel.com. Catholic? Head over to www.USCCB.org!

Will I be able to understand the Bible and apply it to my life?

Yes! "...the Spirit of truth...will guide **YOU** into **all truth**." John 16:12

What about talking with God (prayer) ~ does He even hear me, I mean, c'mon, really?

Absolutely!

"And **we can be confident** that He will listen to us whenever we ask Him for anything in *line with His will*. And if we know He is listening when we make our requests, **we can be sure** that He will give us what we ask for." 1 John 5:14,15

What if I don't feel any different?

If you or someone you know is married, consider this analogy: When two people know *of* each other, like you may have known of or about Christ, are they married? **No sir.**

If they date and have a long courtship and even get engaged, having the strongest human emotions for each other, like you may have had a strong emotional experience that you thought brought you closer to God, does that make them married? **No again.**

When *are* you married? You're married when you say "***I do***".

Verses

Today you said "***I do***" to **Jesus Christ**. It was an act of your will. Feelings can be fickle, so don't worry another second if you don't feel different. In fact, ***never worry again*** - and that's an ***order!***...

"Do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For the pagans run after all these things, and your heavenly Father knows that you need them. But seek first His kingdom and His righteousness, and all these things will be given to you as well. Therefore **do not worry** about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own." Matthew 6:31-34

Nice marriage example, but since so many people seem to get divorced, what if Christ decides to divorce me?

Impossible- *He says so right in **His Word**:*

“God has said, ‘**Never** will I leave you;
never will I forsake you.’ ” Hebrews 13:5

“If we are unfaithful,

He remains faithful,

for **He cannot** deny Himself.” 2 Timothy 2:13 NLT

Once you receive Christ, *that’s it*, even if you make a mistake
and “are unfaithful”, He

“remains faithful”. Friend, ***that’s love!***

***You don’t know me. I’ve actually done some things that may
be unforgivable.***

“Come now, let us reason together,” says the LORD.

“Though **your sins** are **like scarlet**,

they shall be as **white as snow**; though they

are **red as crimson**, they shall be **like wool**.”

Isaiah 1:18

“I (**Your Father** in **Heaven**) *forgive* your sins - **every one**...as
far as sunrise is from sunset, I have separated you from your
sins.” Psalm 103: 4,12 The Message (First person)

“This is a true saying, and **everyone should believe it**: Christ
Jesus came into the world to **SAVE** sinners—and I (**The
Apostle Paul**- who used to help **murder** Christians) was the
worst of them all. But that is why God had mercy on me, so that
Christ Jesus could use me as a prime example of His great
patience with **even the worst sinners**. Then others
will **realize** that they, too,

can **believe** in **Him** and **receive** eternal life.” 1 Timothy 15,16
NLT

***Now that I’m certain I’m going to Heaven, does that mean I
will never sin again?***

As you grow in your faith, you may have “growing pains” and commit sin. *Now* if you sin, you can *tell the Lord about it*- He’ll forgive you and cleanse you- He promises!:

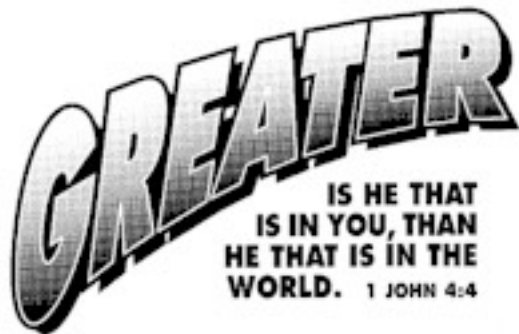

“But if we confess our sins to Him, He is faithful and just to forgive us and to **cleanse us** from every wrong.” 1 John 1:9

*Friend, the Christian journey is a **great, life-long adventure!** Challenges will come, but take heart: “... the **One who is in you is greater** than the one who is in the world.”*

1 John 4:4

*“**I can do everything** with the help of Christ who gives me the strength I need.”* Philippians 4:13 NLT

You will be *amazed* at how much you will now *understand* of what the Bible says *directly to YOU!* I suggest you set up a daily reading plan. Take time to *listen* to God’s inner voice, too- He’s one **great** conversationalist, and One who truly *values your friendship!*

“...the **greatest love** is shown when people **lay down their lives for their friends** (*Jesus did that for you*). **You are My friends ...I no longer call you servants, because a master doesn't confide in his servants. Now *you are My friends,***

since I have told you everything the Father told Me. You didn't choose Me. *I chose you*. I appointed you to go and produce fruit that will last, so that the Father will give you **whatever you ask for, using My name.**” - **Jesus Christ**, John 15:13-16 NLT

May you yield to *God's specific plan for YOU* to reach your ultimate potential and fulfillment in this life. And friend, rest easy tonight ~ and *every night!* **Your name** was written **today** in the **Book of Life** which is kept safe in your future, permanent home- Heaven, The Heaven itself!

“I will never erase their names (believers) from (meaning your name is already there) the Book of Life, but I will announce before My Father and His angels that they are Mine.” Revelation 3:5 “...whose names **are (already) written** in the **Book of Life.**” Philippians 4:3

You're there - count on it! You have it in writing from God! And now **God** has

Your Name in writing! Remember: “These things *I have written* to you who believe in the name of the Son of God, that **YOU** may **KNOW** that **YOU HAVE eternal life...**”

1 John 5:12-13, NKJV

How can you be Absolutely Certain you're going to Heaven?

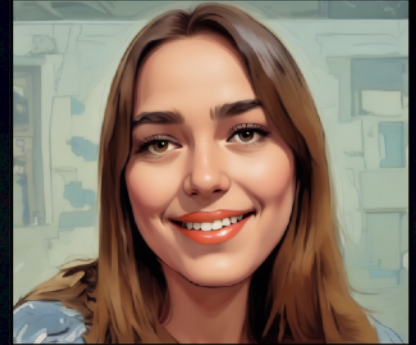

God has doubly assured YOU with words that leave absolutely no room for even the tiniest doubt:

***“You Have... You
KNOW... Forever... Confident
...Sure... Guarantee”***

That's how! And now you KNOW!

See you there!!
