To Whom It May Concern,

It is my honor to recommend Greg Swan, Co-founder, and Michael Gillette, Michigan Director of Fentanyl Fathers, as speakers for your program or event.

At Shelby High School, we had the privilege of hosting Fentanyl Fathers, a 501(c)(3) nonprofit dedicated to preventing fentanyl poisoning and overdose deaths among youth. Through their powerful and heartfelt presentations, Greg and Michael educated our students about the dangers of fentanyl and counterfeit pills while equipping them with life-saving knowledge on recognizing and responding to overdoses.

Their unique ability to connect with students, combined with their unwavering dedication to this critical cause, left a lasting impact on our school community. I highly recommend Greg and Michael as speakers who will bring valuable education and awareness to your school or organization.

If you have any questions please call 231-861-4452 x4126

Sincerely,

Zach Fricke
Principal
