Thank you

Dear Greg,

On behalf of our entire school community, I want to sincerely thank you for the profound impact of the presentation you delivered at Riviera Preparatory School. Your message was powerful, moving, and deeply meaningful to our students, faculty, and staff. The awareness and education you provided will undoubtedly make a lasting impression and spark important conversations.

As a token of our gratitude and support for the incredible work you do, we have made a donation to Fentanyl Fathers. We hope this contribution helps further your mission and continue the critical work of spreading awareness and saving lives.

We are also proud to share that we have a group of students who have expressed an interest in starting a chapter of S.A.F.E. at Riviera for the upcoming 25-26 school year. It is my hope that this will be one of many ways that we keep your message alive at Riviera and that we can continue to partner with you in future years.

Thank you again for sharing your time, your story, and your passion with us. We are truly grateful and look forward to staying connected.

With appreciation,

Kara Locke
