## Hello Families of Grace!

Welcome to GRACE KIDS - Grace Lutheran Church's version of Sunday School!

The main focus of our program is our kids. We want our children to be a part of all aspects of church life, from participating in worship, to helping with charitable work, to having fun as a group with lessons, crafts, games and music.

Our program is set up so that all participate together. The older kids like to help with the younger ones. The added blessing is the younger children have a great time being with the older. We want the time spent in Sunday school to be meaningful along with being a lot of fun! We will have a lesson along with crafts and games and sometimes music. Kids of all ages from our 3 year olds to our confirmation students and our youth are welcome to join us.

We understand that our Grace Families have conflicting priorities – From school, to sports and to family events. So we put together a program that will take those demands into account, but still provide fun and educational opportunities at our church. Everyone is welcome at every session, but if you can only make it to one session per month or two that is OK. We want our families to know that they can as often as they are able! Our hope is that the families feel comfortable participating, even if you are only able to come sporadically!

Our program consists of (2) sessions per month on Sunday's after the 9am service.

Below is the approximate session breakdown:

<b>SUNDAYS 10:15am to 11:00am</b>	
10:15 AM	Welcome - "Get the wiggles out!"
10:25 AM	Story/Lesson
10:35 AM	Craft / game / play
10:55 AM	Ending Prayer

This year we are also going to be doing monthly events. These events are a way for our families to get together and have fun! Some of the events are sponsored by Grace Kids and Grace Community Life Group so all welcome to join us. The Grace Kids Year calendar highlights those events.

We are also going to be focusing on monthly charitable giving. More information to come!

We are including our Grace Kids Year Calendar - it highlights the sunday school sessions, monthly events and activities.

*Please note - we will be updating this calendar over the year as we have additional events planned and if there are any updates that are needed. We will send out new calendars when that happens.*
