

Join us for the annual
YELLOW PEA SOUP DINNER

presented by the American Scandinavian Association at Augustana

Join us for the Swedish tradition of pea soup and pancakes on Thursday evening, followed by a presentation by Norm and Janet Moline on their recent trip to Scandinavia—and their unforgettable reindeer adventures!

Reindeer and Musk Ox in Northern Sweden

Reindeer are our special friends in photos, sketches and songs at Christmas, but great numbers of them are in the northern Sweden landscape all year. The Molines have seen many on their trips. They will share information about their locations, behaviors, economic importance, and cultural significance in Sami culture. In that same area there no longer are many musk ox, but a research center is working to save and increase the understanding of this fascinating animal in Sweden. Norm and Janet have visited that center and will describe its efforts to save them.

(I think this one is Blitzen. She looks like a Blitzen.)

Schedule for the Evening

Date: Thursday January 29, 2026

Social Hour and Punch: 5:30pm

Dinner Served: 6:00pm

Evening Program: 7:00pm
