

# Fleur de Lis Lodge

## No 8969

Formed in 1981, Fleur de Lis Lodge offers a modern approach to Freemasonry.

We have a diverse membership and promise you a warm welcome.

Initially formed by members with a background in scouting, the lodge now supports many local youth organisations.

Our membership is made up from a wide range of occupations some of which include, law enforcement, engineering, building, construction, and finance.

We have many diverse backgrounds yet enjoy great friendship and have a sense of community within our Lodge.

Our Lodge members enjoy many interests and hobbies such as golf, scuba diving, bowls, hiking, rugby, football, and motorsport.

Our Lodge works hard to be inclusive and welcoming and our strength is in how we embrace those differences which each of our members brings.

We are proud of our masonic heritage and history which promotes a pride in upholding the core masonic values and traditions.

We 'practice what we preach' in both our masonic and daily lives and take pride in supporting each other our families and the communities in which we live.

Having fun is a fundamental part of being a Freemason and in Fleur de Lis Lodge we regularly host events that are focused on the fun aspect and we welcome all likeminded individuals.

We are an active Lodge when it comes to supporting masonic and non-masonic charitable causes.

We hold our Lodge meetings at the Maidstone Masonic Centre (Tovil) every 4th Thursday of the month from September to May (excluding November and January). In February, each year we install our new Worshipful Master, and 2021 sees us celebrate our 40<sup>th</sup> anniversary.
