

Balloon Cupcake Recipe

Birthday, Sweet 16, Anniversary

Small/centerpiece size 14" x 12"

10- 5" latex pink (icing color)

11- 9" latex white/brown (cake color)

1 5" latex red

4 160 balloons- any color

Approx. cost product used \$1.90. Assembly -15 minutes. Multiple Centerpiece Price: 14.50 - \$17 each

Inflate 5" balloons to 4". Make 2 5 pack clusters. From the bottom-without a cardboard base-make this piece as if you are making a garland....With monoline, wrap the 2 brown/bottom clusters together, one on top of each other.

Inflate the next 5 pack cluster using 9" pink balloons to 5.5" and wrap on top of your garland. . Last pink cluster inflate the 9" latex to 5" but make this a cluster of 6 balloons. When tying in the last cluster on your garland, the sixth balloon will automatically pop up and take the top position. Inflate Cherry red balloon to 2.5" and adhere with Balloon bond or if you know how, use a raisin twist.

Topping variations: Inflate 160's cut and tie ends of short pieces or use foil glitter or hole punched color paper dots. Adhere latex using Balloon Bond or glitter with Rubber cement. **This can be made by using 4 pack clusters instead, but it will not look as round. You can also add a cardboard cake plate to the bottom as a base for the stabilization of a centerpiece on a table (+cost \$1.00) If this is a Happy Birthday gift, then all kinds of ribbons, curley160's and other air filled foil balloons on a stick can be added for charging upcharge on all these sizes.

Large cup cake Delivery or yard art

Approx 36" high and 24 wide, Cost \$5.00, Assembly
