Join us for a dynamic learning event webinar series exploring five key health equity topics — Asian American Health, LGBTQIA+ Health, Caribbean American Health, Black Maternal Health, and Hispanic American Health.

These sessions will foster cross-sector dialogue, highlight intersectionality, and provide actionable strategies to address disparities in health outcomes.

All learning events hosted live will be on Zoom.

Why Attend?

- Gain insights from health equity leaders
- Understand intersectional challenges and solutions
- Participate in meaningful dialogue
- Walk away with actionable steps

Who Should Attend?

- Public health professionals, educators, community leaders, advocates, policymakers, students and anyone interested in advancing health equity
