SHIP Updates

SHIP Social Media Launch

Legislative Updates - Carling Ryan, Delaware Health Association

Breakout Groups: Presentation of Action Plans

Q & A Session + Closing Statements

WELCOME GUEST SPEAKER:

ANNIE SLEASE

MENTAL HEALTH LITERACY COLLABORATIVE

SHIP UPDATES: MAY & JUNE PROGRESS

Background

- As you know, the SHIP Report was released in April
- This foundational document outlines our collective priorities for improving health across the state
- The SHIP is available in our Google Drive, Teams and our website

May Progress

- Began translating the SHIP into:
 - Spanish
 - Haitian Creole
- Enhancing accessibility and community engagement

Action Planning Phase

- Forming breakout groups focused on key health priorities:
 - Chronic Disease
 - Premature Death
 - Mental Health
 - Avoidable Injury
 - Maternal and Infant Health
- Deepening stakeholder involvement and building momentum

PRIORITY HEALTH OUTCOME GROUPS

Chronic Disease

Focuses on anything related to root causes or risk factors associated with cancer, hypertension, high cholesterol, and diabetes, such as healthy eating, physical activity, preventive screenings.

Avoidable Injury

Focuses on disparities in transportation (including public transit use and motor vehicle deaths), violence (firearm, homicide, domestic violence), falls in older adults, and vaccine usage.

Maternal and Infant Health

Focuses on disparities in maternal and infant health outcomes such as prenatal/postpartum access, preterm birth, low birth weight, and mortality.

Mental Health

Focuses on mental health access including insurance and provider rates as well as mental health conditions in both youth and adults.

Premature Death

Focuses on substance use including drug and alcohol use in youth and adults

Note:

You were assigned to a group based on your expertise or your organization's, and you may be part of multiple groups due to your cross-sector experience. Because group sizes vary, you may have been placed where your skills are most needed—if you'd like to change your primary group, please contact us.

NEXT MEETING

Quarterly Meeting:

When: Thursday, July 10th

When: 11 a.m. to 12:30 p.m.

Location: Georgetown Public Library
In-person and Virtual (via Zoom)
