# SHIP Multi-solvers Updates

## Basic Needs for Health and Safety:

Expand state Medicaid coverage to include federally allowable supports for social needs (housing, food); coverage of evidence-based services such as community health workers; tobacco cessation supports, etc.

# SHIP Multi-solvers Updates

Basic Needs for Health and Safety:

Increase access to health care services for physical and mental health (e.g., community health workers, telemedicine, school-based health centers, increase providers, etc.)

# SHIP Multi-solvers Updates

## Humane Housing:

Coordinate affordable housing developments with proximity to comprehensive services.

# SHIP Multi-solvers Updates

Meaningful Work and Wealth:

Increase the minimum wage (\$15/hr.) and index to median wage growth.

# SHIP Multi-solvers Updates

Lifelong Learning:

Increase access to high-quality early childhood education.

# SHIP Multi-solvers Updates

## Reliable Transportation:

Increase the widespread availability of reliable public transportation that is affordable, frequent, and convenient within and between communities.

# SHIP Website Update: Programming Page

We're excited to introduce a new section on our website dedicated to Programming Resources.

This page offers up-to-date information and links for various programs across the state of Delaware. This resource hub is designed to connect our community with reliable, accessible support, whenever it's needed.

Programs are organized by priority health outcome and county.

You can visit the SHIP Website at [www.delawareship.org](http://www.delawareship.org)

# Legislative Updates

Let's open the floor for any legislative updates from the coalition. Please feel free to share any recent developments, proposed bills, or advocacy efforts your organization is involved in.

# CHAMG Report Release: Promoting Health Equity Through Advocacy for Data-Driven Policies and Practice Changes

*Prepared by: Community Health Advocacy Mobilization Group (CHAMG)  
on behalf of the Delaware Division of Public Health (DPH)*

## Purpose of the Report:

- Demonstrates how data at the census tract level and community engagement can guide equitable health solutions.
- Focuses on 52 high-need census tracts in Delaware.
- Aims to reduce health disparities and improve outcomes for those at risk of chronic health conditions.

## Next Steps:

- Coalition members are encouraged to read, share, and discuss the report.
- Disseminate through newsletters, social media, and community networks.
- Provide feedback on key messages and potential actions inspired by the report.

## Available:

- In your inbox (emailed out yesterday – let us know if you did not receive it)
- The SHIP Platforms (Google Drive and Microsoft Teams)

Please Welcome  
Guest Speaker:
