 - We do include 1 extra for every 25 roots shipped, this will be taken in to account on any claims.
- Our standard turn-round time for orders is 2 weeks, special orders may take up to 8 weeks. Any orders that require shipment within 2 weeks may be assessed a Rush Charge of \$35.00.

Shipping Info

We ship via UPS, FedEx, and/or USPS at cost.

To avoid plants sitting over the weekend, we try to ship orders on Mondays or Tuesdays to arrive later in the week.

We assess a \$2.50 packing charge per box. You may receive a separate invoice for shipping 7-10 days after receiving the shipment due to the processing time needed to calculate the actual shipping costs.

You may receive more than one shipment if one or more of your items are on back order.

Shipping is year-round. We discourage shipping when the temperatures are over 70 and under 20 degrees Fahrenheit.

For Special Order plants, most are collected on an 'as needed' basis and not stored in our storage facility. Because of this, we will need to confirm they are available once you order, then ask for up to a 4 week lead time, a 50 count minimum, as well as some will only ship certain months of the year.

Thank you!
