The municipal discount allows up to 7 members from the same organization to renew their membership for a total of \$100. All members **MUST** be employed with the same organization to receive the discount. This will allow organizations with collective bargaining agreements to renew for \$100 and then provide a list of employees that intend on becoming FVOA members. Questions, please contact Dale Wagner @ Dwagner@foxmetro.org or email us at fvoa2019@gmail.com
