

Part Time Wastewater Operator

ABOUT US:

At the Fox River Water Reclamation District (FRWRD), we are dedicated to protecting and enhancing the environment through innovative wastewater management. With the three state-of-the-art Wastewater Treatment Facilities located in Elgin & South Elgin, we take pride in our commitment to sustainability and community service.

YOUR ROLE:

The Fox River Water Reclamation District is seeking qualified candidates for the part-time non-exempt position of Wastewater Operator. This position is responsible for the daily operation and maintenance of wastewater treatment facilities in a collaborative team environment. The primary goal is to ensure compliance with all applicable regulations related to plant effluent and biosolids management in an efficient, timely, and cost-effective manner. Hours for this position will fall between 7:00 a.m. to 3:00 p.m. and 3:00 p.m. to 11:00 p.m., with the total working hours ranging between 16 to 50 hours per month.

QUALIFICATIONS:

High School Diploma or GED required, Associate's degree or equivalent preferred; Must possess a valid Illinois driver's license and be insurable by District standards. A CDL license is desirable. Knowledge of Windows and Microsoft Word, Excel, Outlook. Prior computer knowledge and use necessary. SCADA and CMMS system desirable.

POSITION RESPONSIBILITIES

- Operates various equipment including but not limited to; pumps, motors, solids handling equipment, sludge collection, chemical feed, gates and valves
- Remove tanks and basins from service, clean precipitates such as grit, biosolids, waste, and sewage in preparation of inspections or maintenance. Restore completed tanks and basins to service
- Responds to and takes the appropriate corrective actions to alarms experienced at the facilities
- Collects and calculates wastewater operations and control data
- Collects samples and conducts wastewater laboratory tests
- Performs inspection and repair on general equipment
- Performs building and plant maintenance
- Performs general equipment inspection and maintenance
- Performs minor repair and adjustments on equipment
- Performs building maintenance
- Recommends/reports necessary repairs, changes and work orders to Lead Operator
- Handles chemical containers, wastewater biosolids, delivers needed materials and supplies
- May be on-call for plant or system emergencies
- May train and mentor operators-in-training in effective and efficient operations

This is a part-time non-exempt position. Starting range at \$21-\$25 per hour depending on qualifications. Benefits include: PLAWA, access to the Employee Assistance Program (EAP), voluntary contributions-enrollment in 457 Mission Square.

Employment offers are conditional pending physical exam, drug screen, criminal background, driver's license, and other pre-employment activities.
