

Kishwaukee Water Reclamation District Operations / Maintenance / Collections Operator

The Kishwaukee Water Reclamation District (KWRD) is seeking applicants for its Operations, Maintenance or Collections Departments. On-call/overtime pay, vacation/personal days, tuition reimbursement, IMRF Pension, and excellent health care benefits included. This is a bargaining unit position within the International Union of Operating Engineers, Local 150. Applicants are required to obtain, at minimum, a Class 4 IEPA wastewater certification, within 2 years of hire, and a Class B CDL with air-brake and tanker endorsements, within 120 days of hire. A pre-physical, drug screening, and background check will be required. Applicants must meet the residency requirements (15 miles from the District service area) within 12 months of hire.

Starting pay for this position is based on IEPA wastewater operator certification level and individual qualifications.

Level 1:	\$32.21 - \$37.71	<u>\$2,500 Signing Bonus</u>
Level 2:	\$30.87 - \$33.87	<u>\$2,000 Signing Bonus</u>
Level 3:	\$29.80 - \$30.80	<u>\$1,500 Signing Bonus</u>
Entry-Level:	\$26.85/hr	<u>\$1,000 Signing Bonus</u>

Experience with diesel/natural gas generators, centrifuges, gravity belt thickeners (GBT's), and Class B CDL with air-brake and tanker endorsement strongly desired.

IEPA wastewater certification preferred but not required for entry-level.
