

Romans 10

Can we really be saved by saying a simple prayer? What does it mean to be reborn? To confess with your mouth; what does that mean? There is no sugarcoating it. It is all about faith, true faith that produces fruit. Anything less than that is unbelief.

The bible tells us that there will be many that think they are saved but aren't truly saved. People can be zealous for God but what do they base their knowledge on. Is it based on God's revelation through His word or is it based on their own experiences and perspective. God shows us who He is through His word. Our faith is built through learning who God is through His word.

What does it mean to be reborn? When we make that choice to put our faith in Jesus Christ, we become a new creation. We are reborn spiritually. We have made a choice to follow Christ and we learn to obey the Word of God with the help of the Holy Spirit.

Why do we need to confess with our mouth? When we confess with our mouth that Jesus is Lord, we are proclaiming Him as Lord over our life. We are submitting to Him. It is hard for many people to think about submitting to anyone, but this is truly for our benefit. God knows us better than we know ourselves and our life is far better off in His hands than ours.

Choosing to follow Jesus is the single most important decision you will make in your life. If someone asks you if you are saved, your answer shouldn't be "I hope so". Know that you are saved. Open your mouth, proclaim Jesus Christ as your Lord and Savior. Open your bible and don't just read the Word, study it, like your life depended on it, because it does. You may not understand things at first, but that's ok, with the help of the Holy Spirit, our helper, you will.
