

Romans 8 Part 4

This week, we looked at the last part of Romans Chapter 8. When God gave up His son, He made the ultimate commitment to us, out of love. By God's grace, we have forgiveness, and salvation through His son Jesus Christ. No one can bring a charge against us because Christ now intercedes for us. Our one-time judgement of Guilty is now, Not Guilty. Are we going to face hardships? The answer is yes, but with God at the helm, there is no real threat, no real problem for He who loves us. Once we put our faith in Jesus Christ, nothing, absolutely nothing that can separate us from that love.
