brightwheel

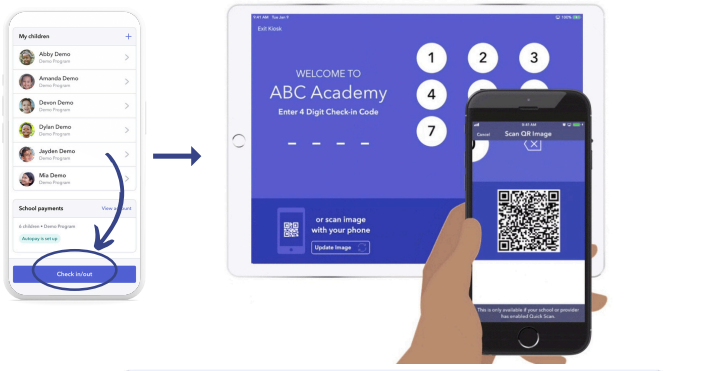

Find or change your 4-digit code in the brightwheel app: Tap the three lines ≡ in the top left > **Edit profile** > Scroll to **Check-in Code**

Check in & out here!

1 Open the brightwheel app on your mobile phone > tap **Check-in/out** to scan the provided QR code

OR

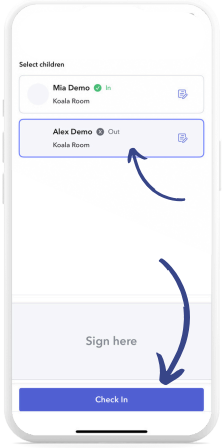

Enter your 4-digit check-in code on the program device

The QR code **cannot** be scanned from your device's camera app. Please open the brightwheel app on your phone, log in, and tap **Check-in/out** to scan.

2 Tap the **student(s)** to check-in or out. (Optional) Tap or **+ Add info** to add drop-off notes.

3 Tap **Check In** or **Check Out**
