STATEMENT OF PURPOSE:

- A. To express through fellowship, study, and service, the essential unity of the church.
- B. To provide an interdenominational agency for cooperation among the churches; which may achieve more effectively the objectives of the Christian Faith.
- C. To study the opportunities for Christian witness and service in the community and propose plans through which these opportunities can be met.
- D. In perspective of the general inclusiveness of A, B and C above, (which are the purposes stated in the Articles of Incorporation), it is the understanding of Christian Ministry, at this time, that our purpose is to seek means of serving the needs of the people in our community by cooperative efforts that an interdenominational service organization can provide. We do not wish to duplicate what others are already doing well, nor do we wish to take responsibility which another group could do as well, if not better.

President's Message

Wow! Here we are celebrating another year at Christian Ministry of Lincoln County. What a great opportunity it is to be able to help serve here to meet the needs of those who are less fortunate. I am very blessed to have been a part of this ministry almost as long as we have been in our current location.

Having served in many ministries here, I have seen a lot of growth. Having been a part of this growth, I am happy to let each of you know that we have signed a letter of intent with the City of Lincolnton to move to a new location. They have offered a larger property that will be better suited for the ministry to grow and accomplish the ministries that have been put before us. It will take some time for the changes to take place and will take a lot of prayer and working together to achieve our task. Please keep the Board of Directors, the staff, and the volunteers in your prayers as we move forward.

Thank you for all you do for the ministry. It takes all of us working together to accomplish the task put before us.

Hebrews 13:16 says, "Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God."

Thank you for continuing to support Christian Ministry of Lincoln County.

Sincerely,

David Conner
President of the Board of Directors for Christian Ministry of Lincoln County

EXECUTIVE DIRECTOR'S REPORT

This year was full of hurdles. Hurdles that we jumped with ease because of the wonderful volunteer and donor support; and with the determination of our employees.

Even though our allotment of government food decreased, full grocery carts of food were still given to families. When SNAP (Food Stamps) was stopped, the number of families needing our assistance went up. We saw an all-time high of 480 families needing and receiving food in one month. It also drove the number of people using our soup kitchen up with a monthly high of 3683.

39,426 soup kitchen meals, 16,843 LINC meals, 4372 grocery carts, totaling 608,134 pounds of food. These numbers represent people in our community. People that needed help and you made that happen. Thank you for caring!

Our staff have a heart for ministering to the community and that is what makes the ministry the caring place that people feel comfortable coming too. Two of our employees took a medical leave of absence this year. With the help of volunteers, and our other employees, they stepped up and kept everything going.

Our homeless - Our People - continue to come to us to have a place to be. We continue to build relationships with them. We try to meet their needs but most of their needs are much bigger than what we can offer.

For several years, the City of Lincolnton has been talking to the Ministry about an exchange of real estate between our property and the City's property at 410 Linden St. and E. Catawba St. This will include a rehabbed building, a new building, a bigger parking lot and bigger dining room. The ministry has signed a Letter of Intent with the City. We are still in the early stages, but we are hopeful for our future.

"I know thy works, and charity, and service, and faith, and thy patience..." - *Revelations 2:19.*"
God sees us!

The grace of our Lord Jesus Christ be with you.

Thank you to Food Lion East & West, Walmart, Aldi's and Starbucks for their donations of food to our pantry throughout the year. Thank you to Saine Ace Hardware for making wheelbarrows available each year. In addition, thank you to Domino's Pizza for providing food for our many volunteers on Give Out Day.

Finally, thank you to every business, organization, school, church and the many individuals who participated in ANY way to make December 23 a very special day for our clients and their children. We will use \$6000 of the 2025 donations to support our LINC Home Delivered Meals Program and the remaining amount will be converted to the general operating fund.

Ralph Zello, Marion Beebe and Marge Stula, Co-Chairs.

Day Retreat Ministry

In 2025, the Day Retreat ministry operated 248 days, serving a daily average of 16 people. Our daily high was 34 in the month of December. Numerous days had over 20 people using the shelter. It is a time that they can take showers, get their clothes washed, and a time they can rest without being out in the weather or being told that they cannot be there.

2025 was our second year opening the Day Retreat. We have had several groups come show compassion and care for our people. They are very appreciative for this attention. As we build relationships and learn their stories, we see that they want to give back, how they have compassion on each other, and how they are eager to help when allowed.

We are very aware of how big a part mental illness plays in the lives of our people. We are also aware of the giant holes in our Federally funded mental health system that leaves vulnerable, defenseless, helpless people living outside because it is no one's job to help them.

This year, the question came up "Do we keep the Day Retreat open at over \$20,000 a year?" I think the real question is "How do we not keep it open?"

EMERGENCY SERVICES MINISTRY GROUP REPORT – 2025

Our Emergency Services Ministry is a huge part of Christian Ministry. It encompasses emergency needs such as food, medicine, rent, electrical bills, clothing/shoes, household items/furniture, etc.

In 2025, we provided food for 4, 373 families and 11, 800 individuals, as well as the variety of services listed above. Please carefully read the EMS Statistical Report for the full impact this ministry has on individual lives. Innovative ways to continue to serve our clients have been implemented, money availability has been stretched to the limit for housing, food shortages, volunteer limitations, etc.

Thank you to all the individuals, churches, businesses, and volunteers for your support, dedication, and commitment in making all this possible.

There are many areas in EMS in which you can help and have helped us in the past. Your donations of food, clothing and household items are needed and used daily. We are currently in GREAT need of volunteers to help serve our clients in our Clothes Closet each day.

A special **THANK YOU** to Mitzi Williams, CMLC Executive Director for her efficiency, leadership/organizational skills, compassion and especially love for our clients.

THANK YOU to Bobbie Grant and Sandy McKay our EMS interviewers for their dedication and compassion daily as they assist and serve our clients.

Thanks to the EMS Ministry Group: Libby Baxter, Donna Jolley, Rev. Chad Walker, Ralph Zello.

May God continue to bless Christian Ministry of Lincoln County, Inc., and may we never lose focus of our purpose or love of the clients, volunteers, and supporters of this Ministry.

THE LINC HOME MEALS PROGRAM

This past year, 2025, has been a good year for our LINC Home Delivered Meals Program. There has been growth within the program with more referrals coming in almost daily. Unfortunately, it is an up and down program in the numbers that we serve. On the average, we have had approximately 86 meals served weekly. The down side comes with some meal recipients that have passed away, some that have had to move to a nursing facility, and some that have moved in with relatives at a point when they cannot care for themselves alone anymore. However, on a positive up side comes with adding new recipients through the referrals.

Volunteers do a wonderful job of caring for those they deliver meals to. Not only is it a hot meal at noon for recipients but volunteers go above and beyond to having birthday parties for some that have no relatives or relatives too far away to visit. At Christmas, some volunteers take small gifts or cards to the people on their routes. Volunteers continue to check on recipients when they have gone to a nursing facility. It is also a friendly face and a concerned person coming by with a smile when otherwise they may not see anyone at all during that day. This is just a few examples of how our volunteers care for those they serve. All these things are done through the commitment, love and concern for those they serve.

This year our volunteers delivered meal a total of 249 days to an average of 86 people a day, driving approximately 105,631 miles and taking at least 6500 hours of their personal time to serve.

Below you will find a breakdown of volunteers and meals.

On Behalf of Christian Ministry of Lincoln County

As a part of its outreach to the community, Christian Ministry facilitates a ministry of organizing hosts for birthday parties in the nursing/rest home facilities in the area, with the objective of providing a time of interaction and enjoyment for residents, and for extending the love of Christ to those who are isolated and in need of fellowship and kindness.

POLICY AND PERSONNEL COMMITTEE REPORT

The Policy & Personnel Committee met on two occasions in 2025.

During our meeting of January 15, we discussed our income vs. expenses in 2024. It was noted that the increase in costs was the result of the increase in food prices in addition to the increase in costs of everything else we purchase to support the need of the Ministry.

In addition, we discussed the costs associated with the operation of the Day Retreat. We spent approximately \$20,000 in labor costs, increased water bills, etc. (The actual cost of labor in 2025 was \$20,913). It was decided that the Day Retreat provides a considerable amount of help to the homeless and we have an obligation to keep it open.

In August, a “Code of Ethics and Conduct” was established and applies to everyone associated with the Ministry, board members, employees and volunteers. The second paragraph of the Code states “Christian Ministry is a non profit charity created by community churches. To uphold its reputation, it is crucial to consistently demonstrate the values and mission it promotes. This involves transparency, accountability, and a commitment to deliver on promises. A good reputation is built on trust.”

In my opinion, that paragraph alone encompasses everything required to serve the Ministry. The remainder of the Code lists the do’s and don’ts required on a daily basis.

Thank you to the P&P members for their input and a special thank you to our staff for the help and compassion shown to our clients on a daily basis.

THE AMAZING RACE – 2025

A WINNING NIGHT FOR LINC MEALS

Although it is called **The Amazing Race**, this event isn't about speed or crossing a finish line first. Instead, it is about teams competing to raise the funds needed to provide LINC meals for the coming year – meals that support homebound individuals who cannot afford to pay for their own.

This year's Amazing Race once again proved just how powerful our community can be when we come together for a common cause. It's

Friendly Competition With A Purpose!

Teams participated by raising money to help ensure the LINC meals continue to reach those who depend on them. While the spirit of competition was alive and well, the real victory was the impact made through generosity, teamwork and community support.

This year's event featured a lively Bingo Night, complete with prizes for the Bingo winners. The games added excitement and kept the energy high throughout the evening. Guests enjoyed a casual and fun meal along with snacks available during the night. To make the evening even more enjoyable, live music provided entertainment during the night. Tickets were sold in advance for \$20 each, which included the meal, 5 regular Bingo cards and a song Bingo. It was an affordable and enjoyable way for participants to support a meaningful cause while having fun.

At the end of the evening, a trophy was awarded to the team that raised the most money, recognizing their outstanding effort and commitment to the mission. From the teams who worked hard to raise funds, to the volunteers, musicians, donors, staff and everyone who purchased a ticket to play Bingo—**thank you**. The Amazing Race 2025 was a reminder that when a community comes together, amazing things truly happen. Together, we didn't just host an event—we helped sustain a vital service and made a real difference in the lives of others.
