Letter from the Director...

Today God has seen fit to water the Earth! My day started with people huddled under our overhang. These people live in woods around town. Thanks to you and all the generous people who continue to support the Ministry, I was able to invite them in to our lobby. Here, they can dry off, relax and watch television (Leave It To Beaver.) Our soup kitchen is bringing people in and spreading them out as well.

Thanks to volunteers and now Atrium Health, we are in a supply chain of masks! We can give them out to clients, LINC Meal recipients and volunteers alike! Thank you to everyone that made this possible!

I want to say thank you to everyone that supported our golf tournament! We raised over \$9,000! Everyone had a tee time, everyone socially distance, and if you were there, then you know that everyone sweated! People worked really hard to support the Ministry and we appreciated it! This fundraiser was so important; since July 1, our emergency services has spent over \$10,000 helping people with their rent and utilities.

Our satellite offices are up and running! As with any new project, we are still working out the kinks, but we are so excited to be able to reach out to people in new ways.

As we continue to help people with the bills and food, please keep the Ministry in your prayers. There are so many needs in our community and I know that God answers prayers!
