PALMETTO ISLAND RESERVATIONS OPEN

Phase 1 of the park re-opening has begun. The park is completely open, including the splash-pad and the playgrounds. Everything is being disinfected several times a day. The only thing is that we are not allowing visitors inside of the fee station yet. All business is conducted at the drive-through window. Phase 2 of the Governor's plan is scheduled to begin June 6, depending on how this first phase goes. All visitors should still practice social distancing and wash their hands often.

Cancellations for out of state visitors have been extended until June 12th. Louisiana State Parks apologize for the inconvenience and look forward to seeing you soon! If you currently have impacted reservations, you will be contacted by an agent for a refund.

NEW COIN LAUNDRY

The 2 laundry rooms in the campground comfort stations now have paid washers and dryers. Customers should bring their own quarters if they plan on doing laundry because the park does not have a change machine at this time.

MEMBERSHIP MEETING

We are really hoping to be able to host our Annual Membership Meeting on June 30. We're waiting to get the new guidelines from the Governor. We will let you know as soon as we can meet. We want to hear you ideas. New board members will be elected by members present at this meeting. If you are interested in serving on the board please contact Sammy at 337-366-2183.

Children's Books Wanted for Campsite Book Shelves

It's Summer time and families are camping. The little ones have cleaned out the book shelves. Don't throw your books away. We're looking for children's books to add to our shelves. Contact Brandy at 337-366-2183 to coordinate pick up or you can place them on the shelves yourself.

Latanier Cookers

Latanier Cookers wanted to let you know that they are waiting to get the Governor's newest set of guidelines. They are hoping to be able to host the

Dutch Oven Gathering in June. Watch their Facebook page for the event announcement or call Carlene 337-893-2470.
